GIVING BACK

ECO INITIATIVES: Delaire Graff Estate has its own greenhouse for the sustainable production of vegetables that are used in the estate's kitchens. They also bottle their own mineral water on the estate, which is used in the restaurants. Waste water is recycled and reused in the gardens

CONSTRUCTION: Special care has been taken to minimise electrical consumption and save water. Natural renewable materials like stone and wood features have been used throughout.

HORTICULTURE: Local horticulturist Keith Kirsten, a multiple Gold medal finalist at the Chelsea Flower Show, designed and landscaped the estate gardens to soothe the sense and compliment the surrounding natural environment. Indigenous and naturalised exotic plants and flowers create a grounded yet opulent setting. Milkwood, Yellowwood, Sneezewood, Wild Olive and African Coral Trees share the landscape with flowering shrubs like Hibiscus, Rose and Frangipani.

COMMUNITY: In 2008 Laurence Graff, Chairman of Graff Diamonds, set up F.A.C.E.T. (For Africa's Children Every Time). The aim of the charity is to raise funds for the
