THE BEST ADDRESS IN CAPE TOWN

The Table Bay was opened in May 1997 by former South African President Nelson Mandela. Situated at the historic V&A Waterfront, the hotel is perfectly positioned against an exquisite backdrop of Table Mountain and the Atlantic Ocean, to provide a gateway to Cape Town's most popular allures.

THE ESSENCE OF THE ENCHANTING CAPE

The **Table Bay** affords guests' unrivalled opportunities to experience the synergy of two oceans, explore a natural wonder of the world, delight in South Africa's floral kingdom, take a trip to an island symbolic of our history, and be captivated by the sheer beauty of the Cape's scenery and majestic animals.

THE LEGEND OF OSCAR

In pride of place at **The Table Bay** entrance, a sun-gold seal proudly welcomes guests. The impressive sculpture is a fitting mascot – Cape Fur Seals are an integral part of harbour life at the V&A Waterfront and seal-watching is an amusing pastime. But Oscar the Seal wasn't just another playful marine pup gambolling along the quayside. Beneath the statue erected in his honour, an inscription reads: "Oscar the Cape Fur Seal". The original protector and guardian of The Table Bay, Oscar's story is the stuff of legends and inextricably intertwined with the hotel's history. Guests can admire this iconic statue while enjoying lunch or a cocktail on Oscar's Terrace.

DIVE INTO THE FINER DETAILS

The luxurious oxygenated and heated hotel pool is surrounded by a mahogany deck with chaises longues, where guests can relax after a rejuvenating swim or a dip in the Jacuzzi.

NATURE'S SOURCE OF GOODNESS

The Cape ecosystem boasts a diverse array of plants that can be used creatively to enhance flavour and define dishes. **The Table Bay** chefs regularly forage for herbs and seasonal plants to use in the kitchen, such as colourful Hibiscus blooms, which make for great salad additions, with their cranberry-like flavour and citrus overtones.

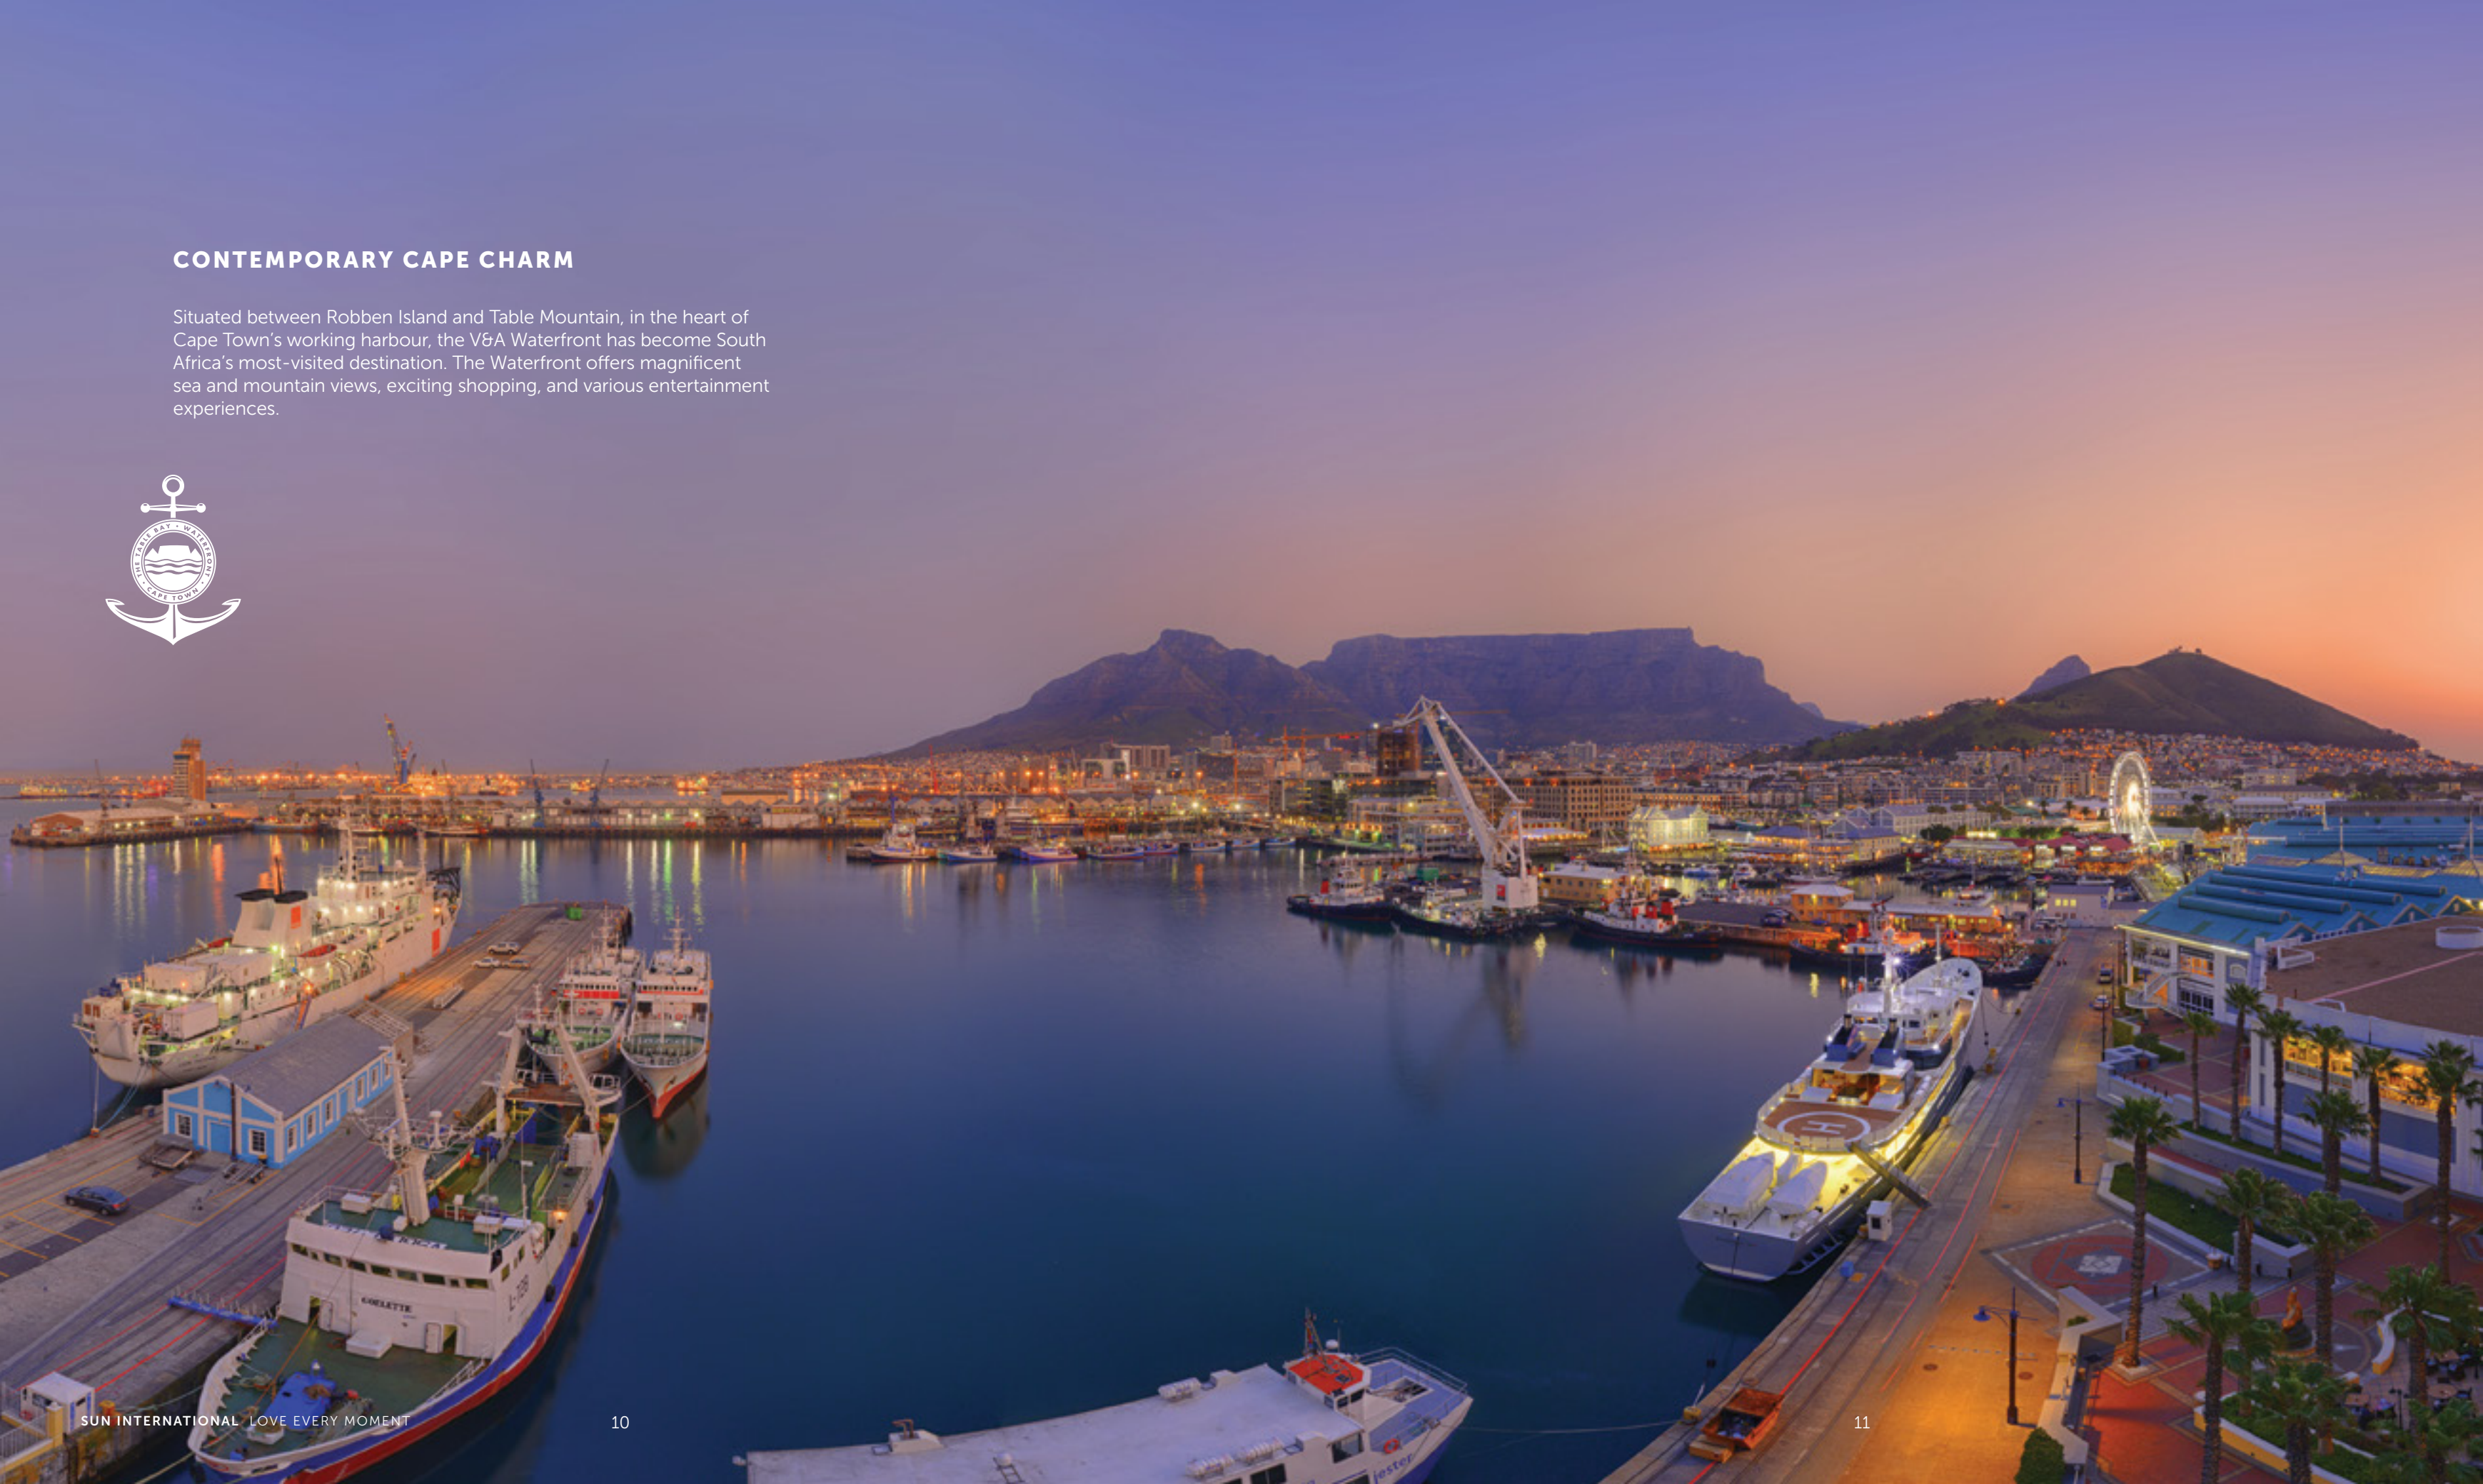

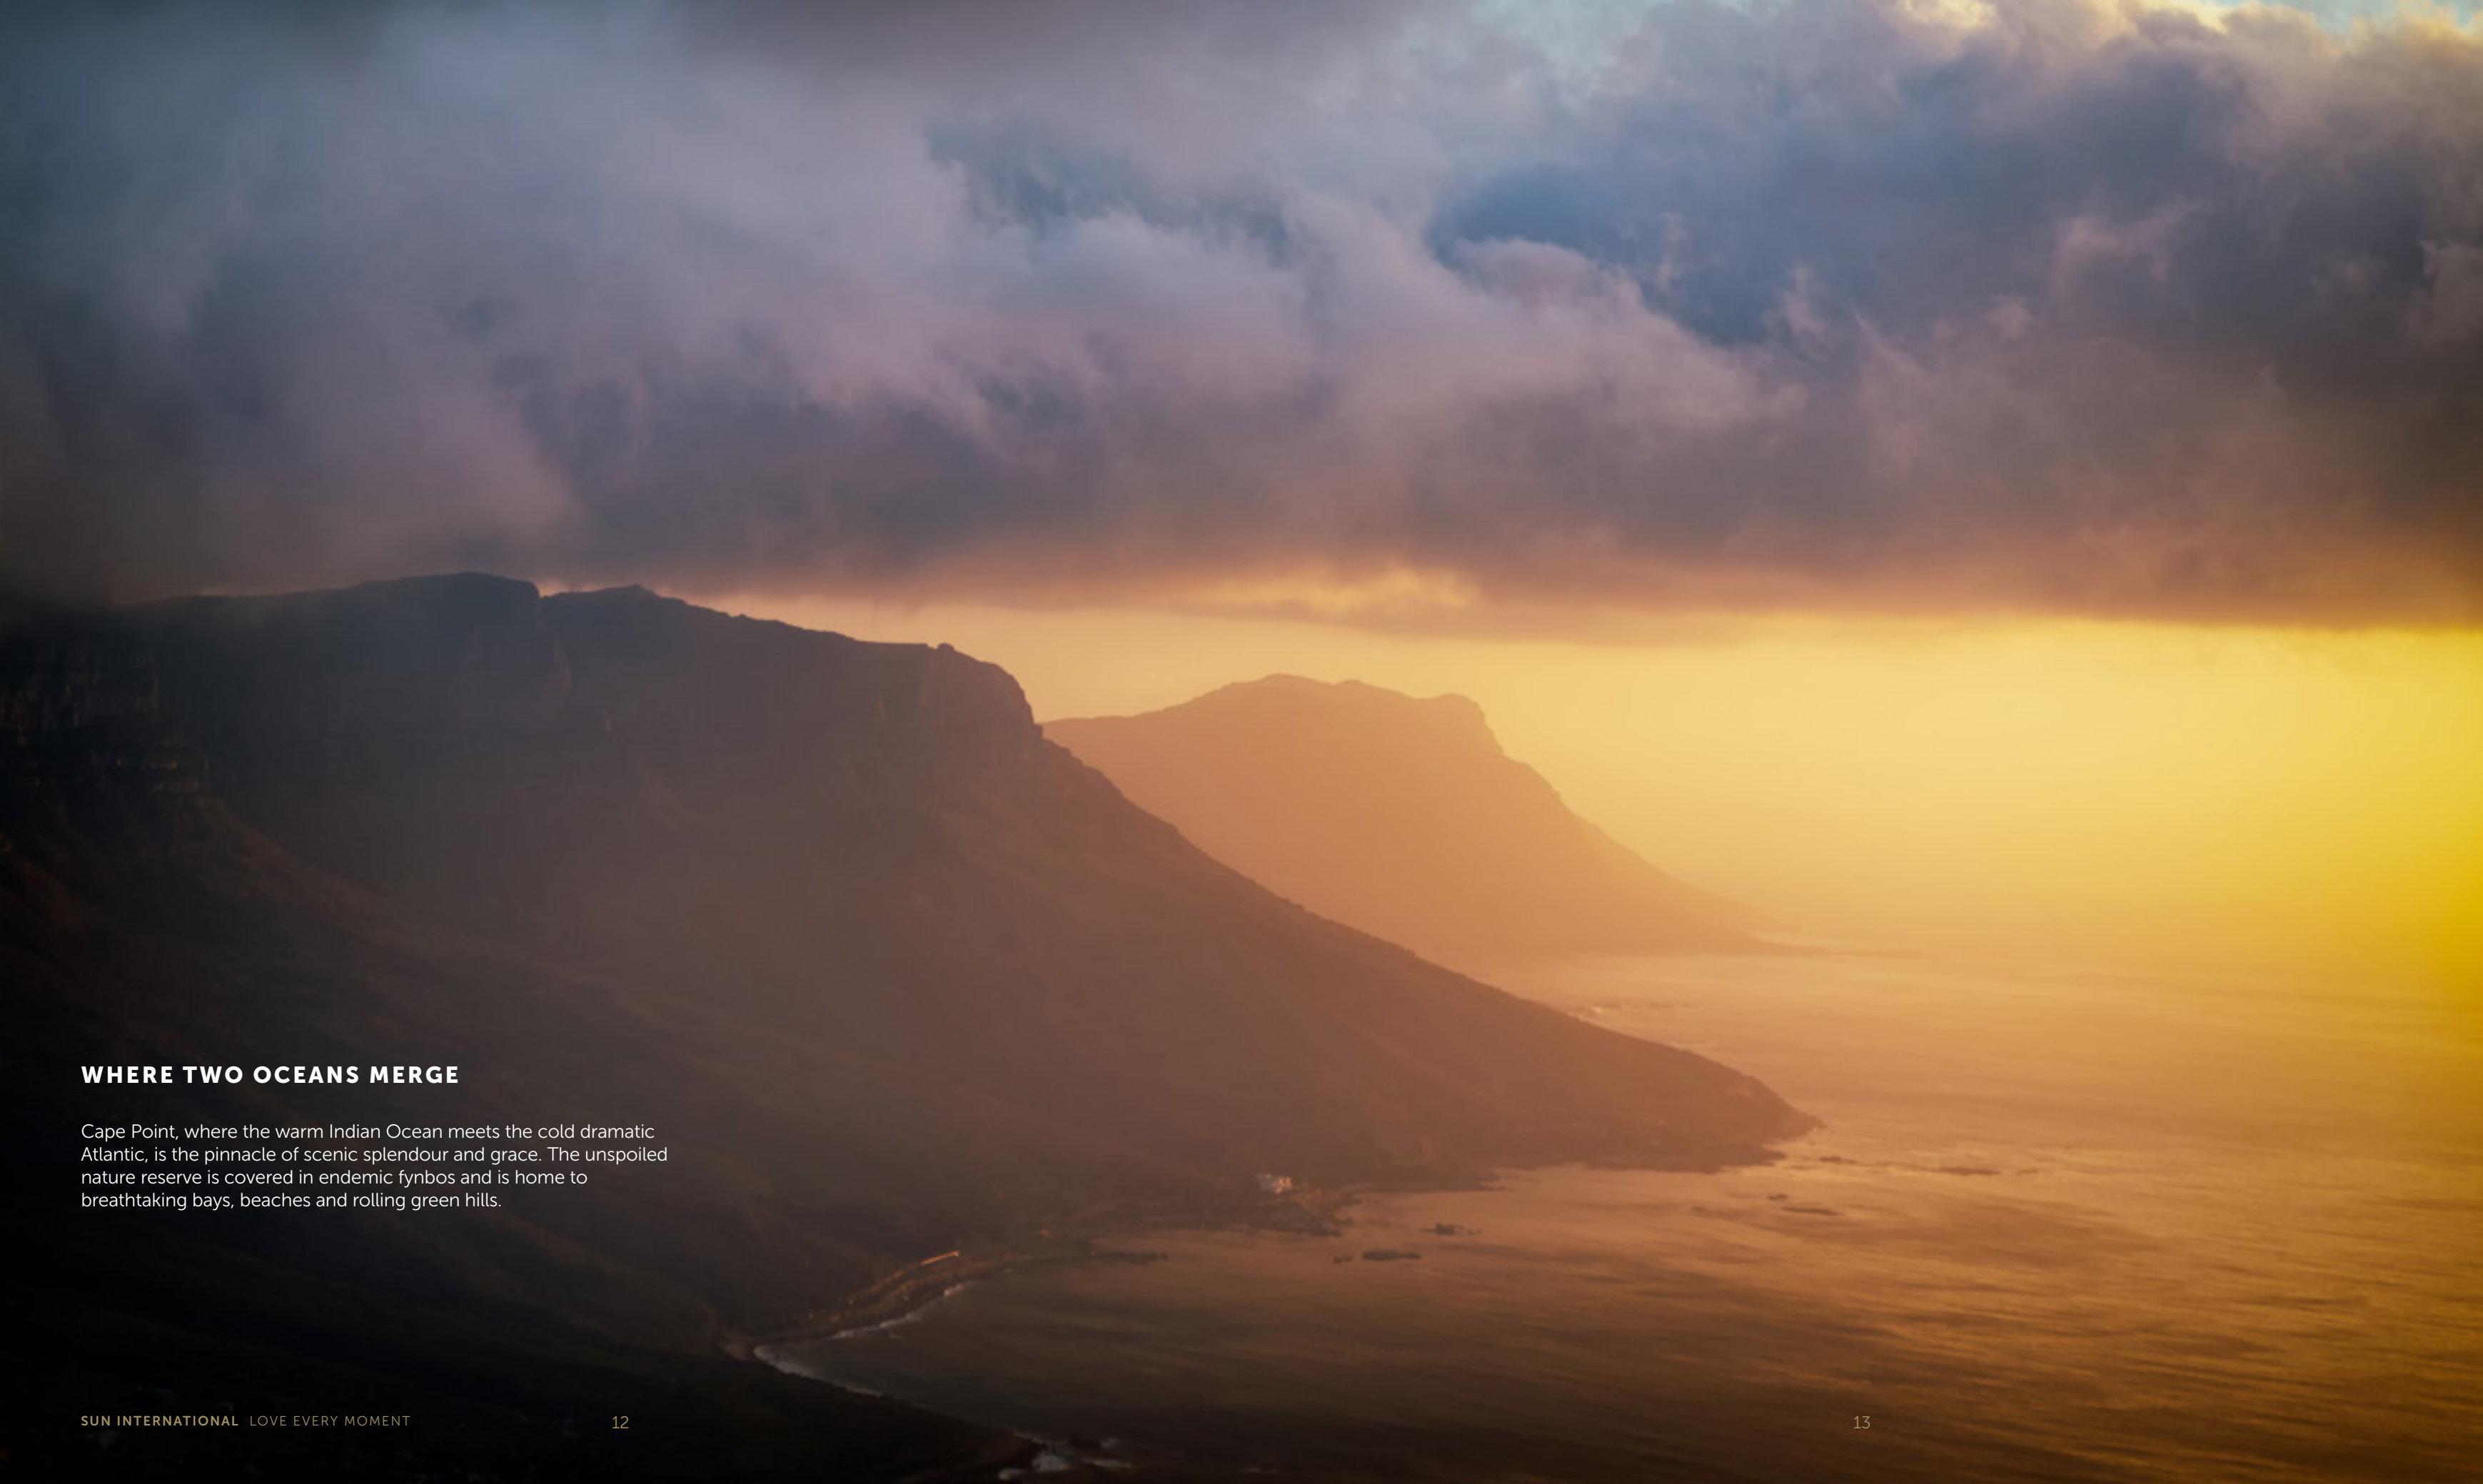

REJUVENATION HAVEN

The spa provides holistic care for skin and body that will leave you feeling refreshed and pampered. A relaxing retreat focused on improving one's lifestyle, the luxurious spa adheres to the highest international standards. The therapists use internationally acclaimed Thalgo products and offer personalised services.

CONTEMPORARY CAPE CHARM

Situated between Robben Island and Table Mountain, in the heart of Cape Town's working harbour, the V&A Waterfront has become South Africa's most-visited destination. The Waterfront offers magnificent sea and mountain views, exciting shopping, and various entertainment experiences.

WHERE TWO OCEANS MERGE

Cape Point, where the warm Indian Ocean meets the cold dramatic Atlantic, is the pinnacle of scenic splendour and grace. The unspoiled nature reserve is covered in endemic fynbos and is home to breathtaking bays, beaches and rolling green hills.

A NATURAL WONDER

Table Mountain, one of the New7Wonders of Nature, is home to the richest floral kingdom on earth – roughly 1 500 floral species can be found here. It is the most recognised site in Cape Town, owing to its unique flat-topped peaks, which tower 1 086m above sea level. Take a breathtaking cable car ride to the top of Table Mountain and soak up inspiring 360-degree views of the city, while enjoying a picnic or a snack from the Table Mountain Café.

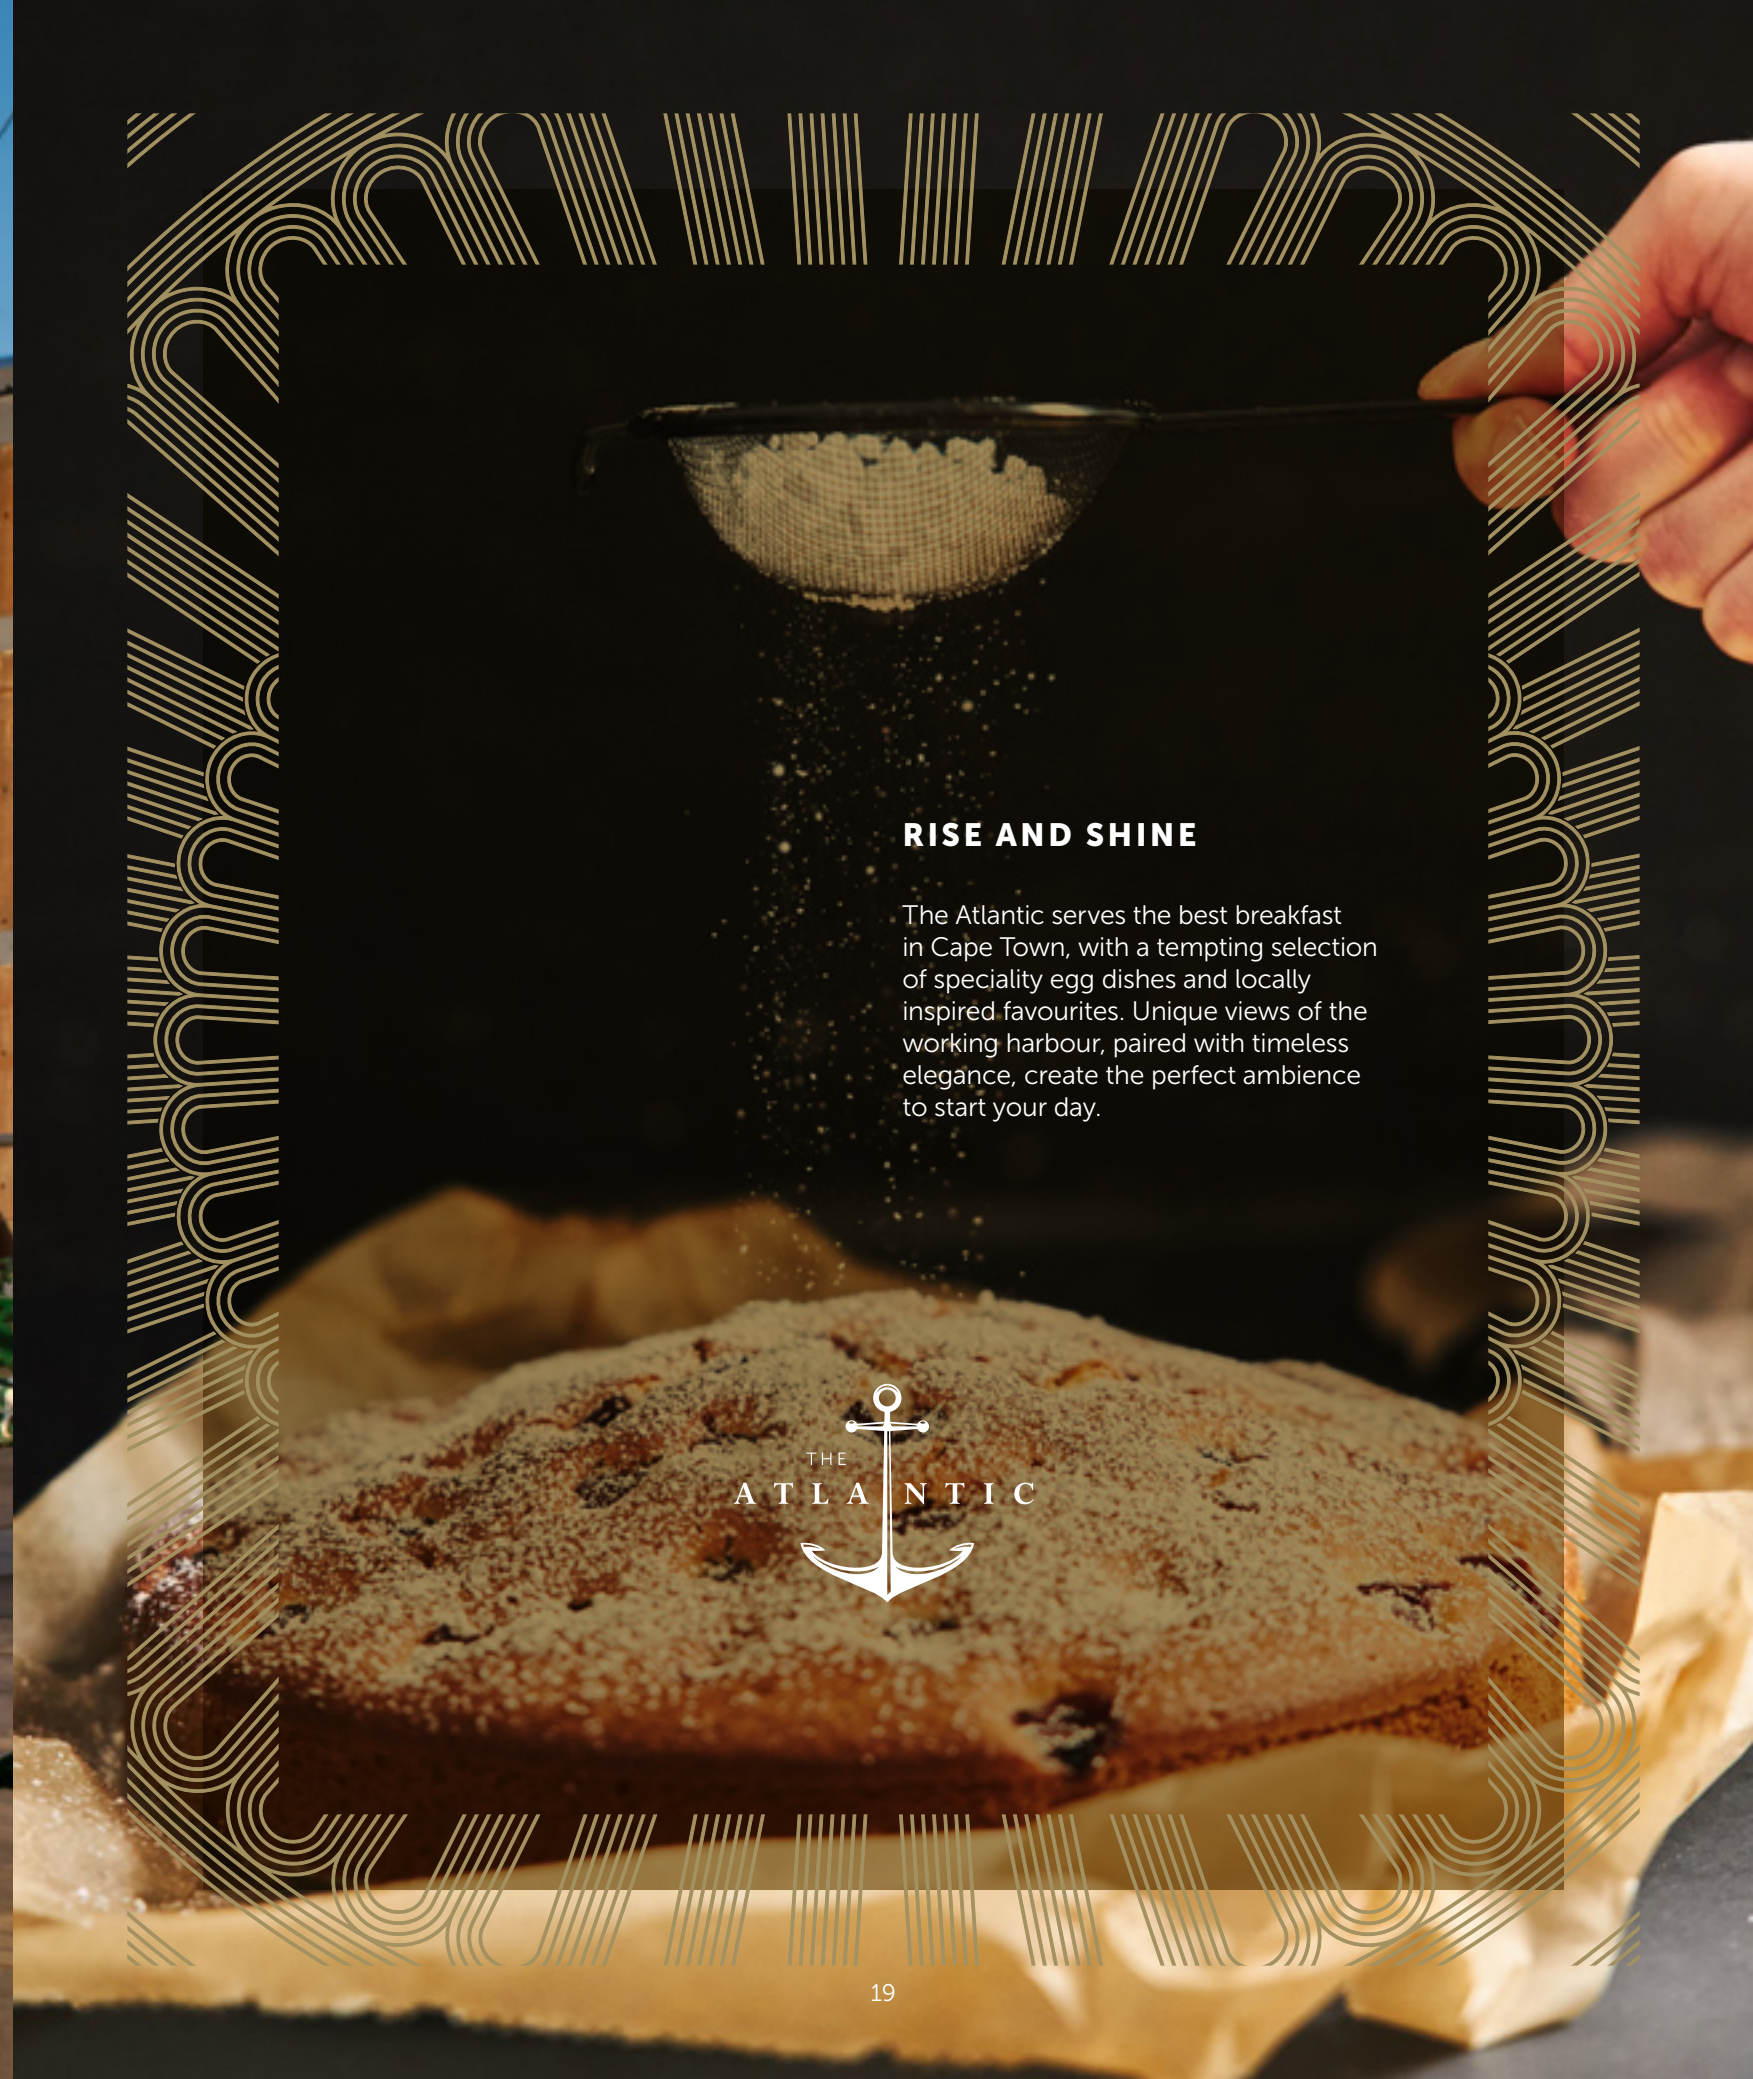

A TASTE OF HISTORY

Located at the centre of the Cape Peninsula, the Constantia Valley stretches up the south-eastern slopes of the Table Mountain National Park. The world-famous Constantia Wine Route is the oldest wine-producing region in the southern hemisphere, with an uninterrupted history of winemaking dating back to 1685. When staying at The Table Bay, guests can also explore world-class Cape wine-producing areas, including Franschhoek, Stellenbosch, and Paarl.
