PAFURI CAMP

The nineteen luxurious tented suites that stretch along the crocodile infested Luvuvhu river are linked by raised wooden walkways. Private viewing decks, en-suite bathrooms (with indoor and outdoor showers) and huge beds with crisp linen combine to offer guests absolute comfort even whilst they are enveloped in the sights and sounds of the African bush. A bush bar, large swimming pool and al-fresco dining area offer everyday entertainment, and there's plenty of space to unwind beneath the towering Jackalberry canopy which shades the expansive decks. Besides early morning coffee or tea three delicious meals are served each day.

Guests are invited to take advantage of professionally guided morning and afternoon game drives to experience the extraordinary biodiversity, scenic splendour and history for which the Pafuri region is renowned.
