## ACTIVITY INFORMATION SHEET

### ACTIVITY

#### VILLAGE TREKS

Led by knowledgeable guides, Village Treks offer a captivating journey through vibrant coastal villages. Interact with friendly locals, immerse in daily activities, and witness customs firsthand. Explore traditional markets with exotic fruits, spices, and handicrafts. Observe skilled artisans in woodcarving and weaving. Encounter stunning landscapes from forests to coastlines, while guides share insights on unique flora and fauna, deepening your appreciation for the environment.

#### HOUSE REEF KAYAK

House Reef Kayak is a thrilling and immersive experience that allows guests to explore the breathtaking beauty of the underwater world while paddling through crystal-clear waters. This activity offers an extraordinary opportunity to discover the vibrant marine life and colorful coral formations that surround the resort.

#### CANDLELIT BEACH DINNER

Enjoy a private, romantic setting on a secluded beach illuminated by candlelight. Indulge in a delectable menu of local and international flavors, accompanied by impeccable service. It's a magical and unforgettable evening of love and culinary excellence in paradise.

#### DOLPHIN SAFARIS

The dolphin cruise sets off as early as 7:30 am and lasts approximately 1 to 1.5 hours. During this leisurely cruise, we have the opportunity to observe dolphins as they swim near the boat. However, please note that swimming with the dolphins is not permitted in this area. This restriction is in place because the blue water surrounding us is their natural habitat, and they remain in the wild.

#### MISALI ISLAND SNORKELING TOURS (HALF DAY)

#### MISALI ISLAND SNORKELING TOURS (FULL DAY WITH LUNCH AT MISALI)

This excursion primarily focuses on snorkeling or leisurely activities on Misali Island. Guests have the option to simply relax, read a book, unwind, or swim independently at the beach if they choose not to participate in snorkeling. The half-day trip runs from 9 am to 1 pm, while the full-day trip extends until 3 pm, including lunch provided on Misali Island.

#### HAIR (BRAIDED)

Hair braiding activity allows guests to indulge in the beauty of intricate braided hairstyles. Whether you're seeking a simple and elegant look or a more elaborate and creative style, the talented braiders will work their magic to transform your hair into a work of art.

#### HENNA

Skilled local artists apply intricate designs using henna paste made from crushed leaves. As the designs dry, guests learn about the cultural significance and symbolism behind them. The experience offers a blend of relaxation, education, and artistry in the beautiful setting.

### **MANGROVE KAYAK**

Experience the exceptional beauty of a distinct mangrove river by kayaking to an extraordinary location. Guests have the opportunity to independently kayak from the inner section of the mangrove towards the outer part. This trip offers only double kayaks and stand-up paddleboards for exploration. Each session typically lasts between 1 to 2 hours. Please note that kayaking in the mangrove is only possible during high tide; otherwise, we will have the unique experience of walking instead

### **NIGHT SNORKELING**

Night snorkeling is comparable to a night dive, except participants will engage in snorkeling around Misali during nighttime. Guests will be equipped with underwater torchlights. The excursion departs at 6 pm and returns at 8 pm.

### **FLYING FOX VILLAGE**

Experience the captivating Flying Fox Village by visiting Makombeni village, where guests can immerse themselves in the local community, explore spice trees, and witness the magnificent sight of a large tree adorned with Pemba flying foxes, a species of small bats. This visit typically lasts around 1 to 2 hours.

### **WAKEBOARDING (30MINS)**

#### **ADDED 15MIN FOR WAKEBOARDING**

Wakeboarding sessions last for 30 minutes and include both training and riding. This activity can only be carried out during high tide. Since it serves as a basic introduction to wakeboarding, our equipment is designed for basic riding and is not suitable for professionals or performing advanced skills.

### **TOURS ON PEMBA ISLAND (MINIMUM 2 GUESTS)**

#### **CITY TOUR (HALF DAY)**

The tour typically starts in the morning, where guests are picked up from the resort and accompanied by a knowledgeable guide. The first stop is often a visit to a nearby local village, providing a glimpse into the traditional way of life on Pemba Island. Guests have the opportunity to interact with the friendly locals, learn about their customs and traditions, and perhaps even participate in some of their daily activities.

#### **SPICE & NATURE TOUR (FULL DAY)**

The adventure begins with a visit to a local spice farm, where you'll be greeted by the aromatic scents of cloves, cinnamon, nutmeg, and other exotic spices that have made Zanzibar famous. Expert guides will introduce you to the cultivation and processing methods of these aromatic treasures, sharing fascinating insights into their historical and culinary significance.

#### **NGEZI FOREST TOUR**

Led by knowledgeable local guides, the tour takes you on a guided walk through the dense foliage of Ngezi Forest, which is home to an array of plant species, including rare and endemic varieties. As you stroll along the forest trails, you'll have the chance to observe towering trees, colorful flowers, and intricate ferns, while learning about the ecological significance of the forest and its role in preserving the local ecosystem.

## **FISHING**

Our fishing excursion offers two options: a half-day trip lasting approximately 4-5 hours, and a full-day trip spanning 9-10 hours, complete with a provided lunch. Please note that the duration of the trip may vary due to weather conditions. Our primary focus is on big game fishing, and any catches made will be brought back to our kitchen where our chef will prepare them to your liking.

## DIVING

### CERTIFIED DIVER - MISALI ISLAND

For the diving excursion, we offer both single tank and double tank options. In the morning, we will head to Misali and promptly prepare for diving at the designated spot. Those opting for the single tank trip will complete their first dive and then enjoy some leisure time at the beach before returning to Fundu. On the other hand, participants in the double tank trip will have the opportunity to do two dives during the same excursion at Misali. Between these two dives, there will be a 50-minute break at the beach, after which we will promptly return to Fundu once the second dive is concluded.

This dive activity exclusively takes place in the morning, with departure at 9 am and an estimated return time of 1-2 pm. Afternoon diving is available upon request and is dependent on weather conditions.

Night diving is restricted to advanced open water divers; however, open water divers may try a night dive if interested. Each diver will be provided with a diving torchlight. The departure time for night diving is 6 pm, and we anticipate returning around 8.30 pm.

- All dive durations are limited to a maximum of 60 minutes or reaching 50 bar of pressure, whichever comes first. We will conclude the dive accordingly. All daily dive trips are conducted around Misali Island. If guests wish to explore the north/south point, an additional surcharge will apply.
- Equipment rental is available for BCDs and regulators at a rate of \$10 USD per item. If guests bring their own equipment in these categories, the rental fee will be adjusted accordingly. Fins, masks, tanks, weights, and wetsuits are provided complimentary for guests to use.
