LONDOLOZI

TREE CAMP

“The most stylish family-run camp in Africa.”

Tree Camp embodies the very essence of Londolozi’s continuous striving to transcend and redefine the wilderness experience. This is a place of connoisseurship, leopards, orchids, lanterns and towering Lead Wood trees. You’re encouraged to spend lazy afternoons on your deck, champagne in hand, surveying the ancient landscape with elephants feeding in the river below.

Elegance and simplicity are the hallmarks of the Tree Camp private sanctuaries. In every detail and feature, from the swimming pools and contemplation decks (salas) to the Ralph Lauren wallpaper and plaited chocolate leather beds, this exclusive camp provides a matchless showcase of African excellence.

VARTY CAMP

“The heart and soul of Londolozi.”

The campfire has burned here for over 90 years making Varty Camp the symbolic heart of Londolozi. The décor echoes tones of the owners’ private home and their continuing love affair with the Earth. All rooms have private swimming pools and thatched salas framed by timber decks that overlook the riverine bush. The living spaces are raised off the ground and shaded under a cathedral of trees. The camp has a pleasingly down-to-earth quality and the emphasis on family heritage means that children always have a place at Varty Camp.

PRIVATE GRANITE SUITES

“A private river affair.”

Private Granite Suites offer an extraordinary experience for the exclusive use of six guests. Bold and inspiring materials mirror the extrusion of granite rocks that flank the camp while conveying the raw essence of Africa. A palette of silver, charcoal and elephant grey in a range of sumptuous materials creates an elegant and contemporary setting in each expansive suite.

The emphasis is on space, light and privacy while blurring the barrier between inside and out. A seamless integration with nature is achieved with large doors and windows all opening directly onto the river. The three secluded Private Granite Suites enjoy uninterrupted views of the perennial Sand River. In addition to a glass encased en-suite bathroom, outdoor shower and heated swimming pool each suite has a private outdoor river bath overlooking the granite slabs of the riverbank. Private Granite Suites can be booked individually or as a private camp for six guests, making it ideal for honeymoon couples or small groups celebrating special occasions.

FOUNDERS CAMP

“Honouring the past, celebrating the present.”

Founders Camp honours past guests and staff who contributed to building Londolozi. It is their efforts, which have distilled the legacy of the past 30 years into a common mission. Enchanting, intimate and child-friendly, Founders Camp is ideally situated to provide an insider’s view of the secrets of river life. Ten idyllic superior chalets repose in the shade of ancient matumi trees along the banks of the Sand River. Three of these superior chalets have been especially designed to accommodate families on safari with a convertible children’s room. A touch of bush bohemia is how the refurbished Founders Camp has been described. Light fabrics in the riverside lounge give this camp a young and vibrant energy suitable for the modern day travelling families.

PIONEER CAMP

“Honouring a bygone era.”

Pioneer Camp is the most secluded of Londolozi’s luxury camps. The three private suites have superb river views and are perfect for honeymooners. Alternatively, this adaptable camp may also be converted into a “private bush home” for a large family group of up to six adults and six children. The spacious entrance halls are decorated in classic Ralph Lauren and the clean lines of the interior offset the glass sliding panels which frame the wilderness views beyond.

The bathrooms are classic Victorian with modern accents in marble, chrome and mahogany. Throughout the camp there is a pervading sense of history thanks to faithfully restored family memorabilia of photographs, suitcases, silver, crystal glass and gramophones. Everything about Pioneer Camp is deeply personal and provides a romantic backdrop to the adventures of a new generation of sophisticated travellers.
