

**Primate Lodge Kibale** is an exclusive eco-lodge featuring sumptuous jungle cottages with high-end facilities and spacious standard forest cottages for the budget conscious traveler.

**Location:**

The lodge is strategically located at the Kanyanchu Visitors' Centre in Kibale Forest National Park; home of no fewer than 13 species of primates including the unique chimpanzees, and the forest elephant – a smaller, hairier 'cousin' of the savannah elephant. The lodge is only less than a 7 minutes' walk to the briefing point for the Chimpanzee tracking excursion.

**Directions/Getting there:**

From Kampala to Fort Portal, it's about 322 Km which is roughly 5hrs. Then take the road from Fort Portal to Kamwenge which starts near the bridge over the Mpanga River in the center of Fort Portal and is well sign posted. Kindly just follow this road for 36 km to Kanyanchu Visitors' Centre.
