Blissful seaside comfort

A warm welcome to The Liz McGrath Collection, comprising The Cellars-Hohenort, The Marine, and The Plettenberg - three iconic hotels that exemplify South African hospitality. Each of these 5-star, Small Luxury Hotels of the World member hotels boasts a unique location, mesmerising history, splendid design, and amenities and services that are second to none.

What they share is the inimitable style of their creator, the late Liz McGrath. A self-taught, natural hotelier, the amazing “Mrs M”, as her staff fondly liked to call her, built her collection based on her great passions: décor, food and gardening.

The result is three magnificent properties in exceptional locations that all create “a world away from the ordinary”: The Cellars-Hohenort in Cape Town’s leafy Constantia Valley, which is home to one of South Africa’s top restaurants Greenhouse; The Marine in Hermanus, one of South Africa’s most spectacular seaside hotels; and The Plettenberg in Plettenberg Bay, the ultimate Garden Route destination.
