

ROMANTIC  
**HONEYMOON  
OFFER**

## ROMANCE, TRANQUILLITY AND INCREDIBLE SURROUNDING AWAITS

**We are offering our honeymoon couples a complimentary upgrade to our romantic Sunset Deluxe Suite which can be combined with our free night offer.**

Set in a secluded location at the end of the walkway, our Sunset Deluxe Suite features a king-size bed, private sleep-out deck with fantastic 180 degree views of the plain as well as an outside bathtub and plenty of space to relax.

Lion Camp is a hidden gem located in the northernmost reaches of Zambia's South Luangwa National Park, one of the best places in Africa for an authentic wilderness safari. Being away from the park gates, we provide safaris as they should be - abundant game viewing and few other vehicles. The South Luangwa National Park is not just an animal refuge, but a living, breathing ecosystem – carefully preserved and fiercely protected. It is home to over 60 animal species and 400 bird species which all live off the Luangwa River – the lifeblood of the Luangwa Valley.

Easily accessible from Mfuwe Airport, Lion Camp operates between May and October in a pristine ecosystem and provides the perfect balance of authentic bush and luxurious comfort. Elevated above the Luangwa Valley floor with a 'tree house' aesthetic, our canvas and thatch suites connect to the main area with a central winding walkway. All the suites have spectacular panoramic views of the oxbow lagoon and feature a shaded private deck.
