

# Sea Kayaking in Antarctica

Experience Antarctica from the unique vantage point of a sea kayak. The majestic landscape, the icebergs, the wildlife... everything looks different as you paddle quietly through the waves. A unique experience!

## THE PROGRAM

The sea kayaking program offered by ANTARCTICA XXI is a small-group experience limited to a maximum of 10 participants, under the guidance and leadership of an experienced Kayak Master.

Every day you are in Antarctica, your Kayak Master will work with the Expedition Team to look for the best kayaking opportunities within the trip's schedule, based on suitable and safe weather conditions. The group will be supported by a dedicated safety Zodiac. Each kayaking excursion will be approximately one and a half hours in duration. At the end of the excursion the Kayak Master will strive to offer the group some time at the landing site so you can explore.

To take part in the kayaking program you must have previous kayaking experience. The minimum age for participation is 16 years.
