NatureFriend Safaris

OUR SECRET - WE ARE SMALL ENOUGH TO PROVIDE INDIVIDUAL ATTENTION, YET HAVE THE OPERATIONAL MUSCLE AND ORGANISATIONAL FINES TO MOVE MOUNTAINS

NatureFriend Safaris, operating from Namibia's capital Windhoek, specialises in fly-in safaris, guided as well as self-drive and special interest groups. We are big on adventure with hiking, mountain biking, horse riding, rafting and quad bikes some of the possibilities on offer. We strive to create itineraries that should leave you with unforgettable memories. Our aim is to provide intimate wildlife encounters, for you to meet the people and to enjoy as many aspects of our magnificent countries as possible. The choice of accommodation is based on our personal experiences and will suit your particular taste and pocket. Let us assist you to discover the vastness of Namibia, the wildlife of Botswana and the wilderness of Zambia. Our mission is to provide our clients with a highly personalised service and a top quality product. We walk the extra mile to ensure that each client will travel with us again. NatureFriend Safaris is small, intimate and practises a hands-on approach. Yet we are bold, think big and don't see any limits. We are aware of our responsibility to the natural environment and play a positive roll in supporting conservation, often in conjunction with rural communities. Wherever possible we prefer to work with suppliers who adhere to a genuine, sustainable and ecologically sound code of conduct.
