

In the heart of the Kalahari, with its rolling red sand dunes, on the banks of the seasonal Auob river, nestles the palm tree oasis, **Auob Lodge**. The lodge is an ideal stop-over, as it is 6km away from Gochas and approx. 180km from the Mata-Mata Gate. Auob Lodge is known for its 4x4 sundowner game drives. You will experience nature in its purest form with a tranquil sunset view, optional open-air dinner on the red sand dunes, whilst game roams freely on the wide horizon.
