

ongongo

waterfall campsite

Ongongo means “magical” in the Herero language. It is indeed a truly magical if not spectacular place. Set in a small canyon in the far northwest of Namibia, a completely barren landscape with some villages close by – you will find permanent water simply oozing out of the mountain. The water is relatively warm which allows for swimming year round.

Location

The Ongongo Waterfall Campsite is situated 6km from Warmquelle. Warmquelle is about 90km north of Palmwag on the C43. Nearest fuel station is at Sesfontein – Alternatively Palmwag.
