

Packing and Clothing List for a Walking Safari

Pack everything in a soft holdall bag - 10kg limit on the walking safari. Bring an extra small rucksack for the day. Any extra luggage (not for the walk) can be stored in our office for the duration of the safari. Generally it is hot during the day - 27-30 degrees C and cool at night. Altitude is between 3,500 and 6,500 feet on average.
