

## **HYGIENE NOTICE**

Lüderitz Nest Hotel has always applied a high standard of hygiene amongst its employees as well as all areas of the hotel including: Hotel kitchen/s, food and beverage preparation areas, hotel public areas, washrooms and WCs, housekeeping, guest rooms and bathrooms

Due to the global outbreak of COVID-19, the hotel has implemented additional hygiene measures recommended by the **World Health Organisation (W.H.O.)** and the **Namibia Tourism Board (NTB)**

### **VALUED HOTEL GUESTS AND VISITORS**

A COVID-19 POSTER is on display throughout the hotel

#### **ENHANCED KEY HYGIENE & SAFETY PROTOCOLS**

Temperature check upon arrival / Speedy check-in at Reception  
Social distancing throughout / Relevant staff wearing masks /  
À la Carte Menus / Sanitising of rooms /\* The option not to have daily room servicing (should you wish to limit contact with others) \*

#### **WASH or SANITISE HANDS**

Wash your hands frequently with soap and water for at least 20 seconds and / or use hand sanitisers supplied by our hotel  
(as an added precaution)

#### **SNEEZING & COUGHING**

Cover your mouth and nose when coughing or sneezing – the elbow move  
(hotel has provided tissues & hand sanitisers for your convenience)

#### **SOCIAL DISTANCING**

Please practice *social distancing* throughout your stay  
(the aim = 2 meters)

#### **ENHANCED HYGIENE**

Please try to avoid touching your mouth, nose, and eyes

**(Important:** Not all hygiene and safety measures implemented by the HOTEL are listed here. Covid-19 measures will be updated by HOTEL in accordance with Government or W.H.O. or NTB Directives
