

Welcome

Are you looking for a peaceful and romantic getaway then Tumbili Lodge will be the perfect place to start your safari in Tanzania or alternatively to find ultimate comfort and relaxation after your Tanzania adventure.

We are a small boutique hotel situated in a lush tropical garden with a beautiful pool and a stunning view of Mount Meru.

All rooms and cottages are individually furnished and designed to offer great comfort and relaxation to its guests and are melting harmoniously into the flowering garden.

Tumbili Lodge's cordial service leaves no wish unfulfilled.

Cottages and Rooms

With a total of nine rooms we offer different room categories such as spacious garden cottages for two with double beds and en suite bathrooms.

The family garden cottage consists of three separate but interconnecting rooms each with its own bathroom and then the standard rooms located in the main house.

Privacy is guaranteed by the spacious lay-out of the lodge. Just spending the night isn't nearly enough to relax and unwind and to enjoy the comfort and excellent service Tumbili Lodge has to offer.

Whether you are staying in the main house rooms or in one of the garden cottages, everywhere you will encounter an African atmosphere and relaxation.

- **Family rooms**

The family rooms in the main house have their own harmonious design and are individually styled. The bathrooms are fully equipped with a walk-in shower, a spacious bathtub and toilet.

Moreover, every room has its own private garden.

- **Cottage for Two**

The authentic Cottages for Two are located in the beautiful tropical garden. The wooden structure gives a cozy natural atmosphere. The generous, bright bedroom offers plenty of space and it has a very large bathroom with a walk-in shower, a huge bathtub for two and a separate toilet. Everywhere you feel the connection with nature!

- **Family Cottage**

It features 3 interconnected Cottages with each its own fully equipped bathroom with separate toilets. It makes this beautiful family cottage an ideal place to stay with family or friends.

It is set in the middle of a lush tropical garden.

Wine & Dine

In our à la carte restaurant we pamper our guests with culinary delicacies at candle-lit dinner.

The availability of a wide variety of fresh ingredients sourced from local farmers enables our chefs to prepare the most delicious dishes.

From evening dinner, to lunch and breakfast, our kitchen team will do their utmost to create memorable à la carte dishes for our guests.

A good wine rounds off the culinary pleasure.

We will be happy to serve breakfast and lunch at one of our garden tables or on the terraces around the pond.

Garden & Pool

- Garden

From yellow fever acacia to bougainvillea & heliconia, our garden will pamper all your senses with the scent of tropical plants with their colorful flowers.

The songs of exotic birds and the wide variety of beautiful butterflies will enable you to unwind and relax in nature.

During a walk through the garden, you can admire many tropical birds such as the yellow-bellied sunbird, different types of weavers, kingfishers and Fischer's love birds.

Some 100 different species are regular visitors of Tumbili Lodge.

- Pool

The creatively designed pool is tucked away in a stunning tropical scenery.

You can just laze around on comfortable sunbeds on the terraces or enjoy a refreshing swim.

The pool features a cute little island and a splashing waterfall.
