

HYGIENE AND SAFETY PROTOCOL

COVID-19

INTRODUCTION

To provide you with a safe and clean environment we have enforced the measures below and implemented the Ministry of Health and World Health Organization (WHO) guidelines on Covid-19 health & safety protocols.

Staff

All our staff are sensitized on good safety and hygiene measures, tested of COVID-19 regularly, consistently updated & trained on the latest information shared regarding Covid-19.

Points of Access to the Hotel

All entry points have mandatory sanitizing and temperature checks measures.

Front Office

All surfaces are well sanitized by professional housekeepers, prior and after provision of service to a guest.

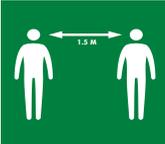

A non-contact IR thermometer is available at the front desk where all guests are checked before accessing the main reception.

A separate viricide disinfectant is available for guests to disinfect any object.

Approved sanitizers are openly placed for guests to freely use.

A manager is available 24 hours; any matters are promptly handled by the allocated Manager(s).
