

COVID TRAVEL PROTOCOLS

Everything you need to know about travelling in Botswana with Desert & Delta Safaris

TOO MANY COVID protocol DOCUMENTS? We know this can be overwhelming, but we have to have this information out there. To help you we have created this “one-stop-shop” document providing links to further information for all agents and their guests. What’s more, as the information changes and restrictions adapted, these links will send you to the most up-to-date information we have available.

PROTOCOLS: Our lodges are all in compliance with the Botswana Governments new operational protocols to ensure the health and safety of all guests and staff.

Desert & Delta Safaris are members of [TOURSAFE Africa](#) and compliant with internationally recognised hygiene practices.

CONTINGENCY PLANS: What happens if you show symptoms or test positive for COVID-19 at a Desert & Delta Safaris property?

Step 1: Guests will be isolated in camp.

Step 2: Our contracted company doctor as well as Okavango Air Rescue will be consulted.

Step 3: When suitable, guests will be transported to relevant healthcare/isolation facilities.

NOTE:

- All expenses incurred are for guests own account. Reduced rates will be provided if guests need to extend in camp stays due to a positive COVID-19 test result.
- Agents and guests will be kept informed at every step of the way.

ARRIVAL & DEPARTURE: In this document we will provide you up-to-date entry requirements into Botswana in terms negative PCR certificates and result time frames.

Departure requirements are usually determined by destination and/or transit country requirements and information is provided in our document.

TESTING OPTIONS: PCR testing can be done in Maun, Kasane, Gaborone or in lodge.

Testing options available:

1. Add an additional night in Maun and test the day before departure at a private clinic.
2. End at Chobe Game Lodge and test the day before departure at a private clinic in Kasane.
3. Book in-camp testing and test at your last lodge the day before departure. In-lodge testing pricing matrix available for various group sizes.
