BOTSWANA AND CAPE TOWN

GRAND TOUR OF SOUTHERN AFRICA

BELMOND'S SOUTHERN AFRICAN ESCAPES EMBRACE AN ICONIC CAPE TOWN HOTEL AND THREE THRILLINGLY DIFFERENT SAFARI EXPERIENCES IN BOTSWANA.

Mount Nelson is an oasis of calm in the heart of Cape Town. Known for its iconic pink buildings and lush gardens lying beneath the gaze of Table Mountain, it offers 198 rooms across six historical wings, imaginative local cuisine, and an array of unique experiences.

Our three luxurious safari lodges are set in the unspoilt wilderness of Northern Botswana. This is where the incredible Okavango Delta floods each year, attracting a breathtaking diversity of wildlife.

Eagle Island Lodge, stunningly designed to conjure up an explorer's base. You can drift through the watery landscape on a mokoro canoe, spotting bright frogs and kingfishers or take to the sky with an exhilarating helicopter safari.

Elephants are, not surprisingly, the main attraction at **Savute Elephant Lodge**, with an exemplary eco-friendly design, luxurious spa and viewing hide. The majestic inhabitants are drawn to the mysterious Savute Channel, which flows and dries up seemingly at whim.

The inviting tented rooms at **Khwai River Lodge** feature panoramic private decks. They're the perfect theatre from which to enjoy the drama of the wild. After a day spent in the savannah, unwind in the tranquil pool or share stories by the fire.
