Adventurer Safaris

Immerse Yourself in the African Wilderness on an Affordable Bush Adventure

Our Adventurer range of safaris takes you on exciting bush experiences, over land and water to a wide range of stunning regions across Botswana.

These affordable safaris are designed for those on a budget or who really want to immerse themselves in the African bush on a safari adventure.

This do-it-yourself safari is the perfect way to experience an authentic mobile camping safari.

Adventurer Safaris

A Full Participation Safari

An Adventurer safari is a full participation safari. You prepare your own meals over an open campfire, set up your own camps and share the experience with your friends and family.

Camping equipment is provided along with custom designed open 4x4 vehicles which give you spectacular views of the landscape and wildlife.

You'll be accompanied by experienced bush guides who will lead you through the wilderness, sharing their vast knowledge and ensuring you'll have an unforgettable safari.

Our safari experts, with knowledge attained over years of experience, can recommend regions of Botswana that meet your specific interests and offer extensions that will enhance your safari experience.
