WHAT TO PACK

Before you arrive, you may wonder what to pack in order to feel comfortable and warm as well as able to do as many experiences as possible on the reserve. Feel at ease and prepared with our basic guide on "What to pack".

In case you forget something at home or find yourself needing something during your stay, we have boutiques available at Heatherton Towers and each of the lodges. From elegant safari accessories to hats, beanies, cashmere jerseys, windbreakers and safari outfits for the children, you'll be sure to find what you need or something by which to remember your experience.
