The Gateway to Etosha National Park

Toshari, An oasis in the bush

Toshari Lodge offers a range of accommodation options, including 27 Standard Rooms, 7 Luxury Rooms, 7 Family Rooms, 6 Guide Rooms and 3 Campsites. Toshari Lodge Restaurant offers wholesome Namibian cuisine with a BBQ. Meals are complimented with home-grown herbs and vegetables and fresh home-baked bread. Our selection of fine Cape wines, will enhance your meal at affordable prices.

Toshari is very environmentally friendly, having solar geysers, a vegetable garden, cooking with gas only and in 2017 we opened our own solar plant which generates 50% of our electricity need. By end February 2020 we will be fully off grid. A brand new 20 minute walking trail gives guests the opportunity to see the Etosha nature up close and personal.

We have a fleet of open safari 4x4's with our own expert guides, we do daily tours to the national park, half day or full day drives with the option of a picnic lunch with wine on the full day game drive. A 20 seater truck makes game drives for large groups even more affordable. Commission is earned on Game drives

Standard Rooms

What makes us special

No doubt the tranquility of our grounds after the dusty dry Etosha is what makes our lodge unique in the area.

The variety of game meat at the BBQ dinner as well as our wonderful staff... .

Our warm Ponchos and pick-nick lunches that accompany our full day game drives to Etosha is what sets us apart from the rest.
