THE TAASA EXPERIENCE

A SAFARI FOR THE SOUL

At TAASA Lodge, you'll find a sanctuary of tranquility amidst the wild beauty of the African savanna. Plush furniture, Afro-chic art pieces, large windows framing the landscape and Lobo Valley, crackling fireplaces, and honest, unparalleled guest services come together to create an intimate space where you can relax and unwind in between your African safari adventures.

Enjoy a front-row seat to untamed Africa. Wildlife is abundant all year round at TAASA Lodge as the animals that live within our reserve do not all follow the annual migration. Our residents include the Big 5, plains game, an abundance in bird life and the elusive Nocturnal 5.

TAASA Lodge is ideal for couples, groups, and families and offers a variety of experiences tailored to the different interests and ages of our guests. Our expert team provide unparalleled opportunities which bring you closer to the land, people and heart of Tanzania.

- Inspiring global travelers to **explore** all that Tanzania has to offer.

We are proud to say that around 70% of the TAASA Lodge team originate from the nearby Maasai Village of Ololosokwan. The Maasai culture is intentionally woven into the very fabric of our company and is reflected in both our name and our logo.
