- Protect the indigenous wildlife and natural species of the region.
- Inspiring global travelers to explore all that Tanzania has to offer.

We are proud to say that around 70% of the TAASA Lodge team originate from the nearby Maasai Village of Ololosokwan. The Maasai culture is intentionally woven into the very fabric of our company and is reflected in both our name and our logo.

THE SOUL OF TAASA

As we are dedicated to improving the lives of our community, we have partnered with a number of NPO's including Explore With Purpose, Type Of Wood, Maasai Honey, Wine To Water and support their incredible projects.

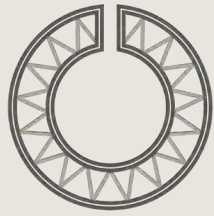

Our guests have the opportunity to contribute to these efforts through staying with us, embarking on Ololosokwan village & school visits, by purchasing curios store items and through donations.
