

TAASA

TANZANIA SAFARI LODGE

TAASA LODGE INTERCONNECTED TENT

TAASA Lodge now offers an interconnected tent option. Imagine waking up to the sounds of the African bush, just steps away from your loved ones and travel companions.

This unique accommodation features two spacious luxury tents linked by a covered walkway, offering extra space and privacy while still allowing you to connect with your travel companions.

Our interconnected tent is the ideal solution for families or small groups who want to enjoy the beauty of the outdoors, together in luxurious comfort.
