

***Nogatsaa Pans Chobe Lodge** is in the heart of Chobe National Park with some of the best game viewing right on the doorstep. The area remains remote and untouched ensuring an authentic Botswana experience in an area dotted with hides overlooking open grasslands, clay bottom pans and waterholes. Strategically placed for sweeping views of the Kwikamba Pan – the biggest of many clay bottom pans dotting the area – **Nogatsaa Pans Chobe Lodge** offers guests a true in-the-bush Safari Experience reminiscent of yesteryear.*

The thatched main area boasts open dining area, bar and various seating areas. The raised viewing deck showcases Botswana night sky with great stargazing opportunity.

12 Classically elegant tents on raised platforms with sweeping views of Kwikamba Pan, en-suite bathrooms, adventurous outdoor showers, lavish eco-friendly guest amenities and white percale cotton linen ensure an exquisite sense of luxury.

Game drives take place on a network of roads that includes the Ngwezumba River bed and meander through teak forests, a section of land that is rich with bird life.

***Nogatsaa Pans** has Eco Tourism Certification for their low impact on the environment and the latest solar & waste disposal systems in place.*

***We focus on excellent service and pampering the soul
with relaxation while you are on Safari***

GENERAL TRAVEL INFO

MALARIA

Malaria is prevalent during the mid to late rainy season (January to May) but one should always take precautionary measures. Consult your local GP for preventative malaria prophylaxis. Use insect repellents, sleep under mosquito nets and during the day wear light long sleeved clothing.

WEATHER

The Chobe region has two very distinct seasons and experiences hot, wet summer and cool, dry winters.

The rainfall period occurs November to April and daytime temperatures during this period average at 35 degrees Celsius.

During May to September the days are moderate, but the mornings and evenings are cold. Humidity in the Chobe area is low.

WHAT TO PACK

- Summer months are hot and humid. Cool cotton clothing advised
- Comfortable walking shoes
- Sun hat, sunglasses and sunblock
- Cameras and extra SD Cards and binoculars
- Light, neutral coloured clothing
- Bathing suit
- Warm jackets essential in winter (May - Oct)
- Beanie and gloves - the mornings are cold during winter
