## Business Profile:

Since operation started in December of 2010, Offshore Adventures, swim with seals has become a sought-after activity to local and international tourist for its uniqueness and perfect combination of eco-tourism, adventure and animal encounters.

Offshore Adventures operates from Central Beach in Plettenberg Bay with a 7.6m semi-rigid boat, surveyed for 12 people and 2 crew, Robberg Express. Soon to be launched in June, is an 8.3m semi rigid boat, surveyed for 12 people and 2 crew, Oceanic Express.

Offshore Adventures pride ourselves in our excellent safety record and strict code of conduct, endorsed by Cape Nature and the WESSA blue flag program.

Offshore Adventures support community uplift and environmental education and work closely with the Nature Valley Trust and various other organisation to achieve these goals.

Offshore Adventures is actively supporting Station 14 Sea Rescue Plettenberg Bay.

Offshore Adventures, in affiliation with Tenikwa wildlife awareness and rehabilitation centre funds and assists in fur seal pup rescues and rehabilitation.

Offshore Adventures also support marine research and conservation, and are current busy with a project, supervised by Ocean and coasts (DEA) and NMMU.

## Key products.

Swim with seals: "Join the experienced team from Offshore Adventures for an experience of a lifetime. This one and a half hour adventure starts with an adrenaline pumping beach launch into the sea, followed by an amazing boat ride along the scenic coastline to the Cape fur seal colony. There you will get to snorkel and interact with the oceans most loved character and see them playfully swimming in their natural environment."

Sardine run: "The Sardine run is a top-ranking contender on the adventure bucket list. The migration reaches its climax off the coastline of Cintsa ( Wild coast ), where currents and the continental shelf pen the mega shoal within a short radius, creating a bait ball that attracts hundreds of thousands of predators in what is the largest feeding frenzy on earth.

The fully inclusive tour includes five sea going days to put you in the heart of the action.

Seal viewing Tours: "What makes this tour unique is the seal interaction. They will not disappoint, and sightings is guaranteed. Our crew is passionate about what we do, and you will experience our knowledge and love for the ocean. It's a fun boat ride that, starts with an adrenaline pumping beach launch into the sea, followed by an amazing boat ride along the scenic coastline to the Cape fur seal colony. So, whether you just want to see the seals or watch your friends swim with the seals this tour is for you. Plus, we provide free pictures of the tour!"
