

# ZAMBEZI GRANDE

## YOUR ZAMBIA AWAITS

Zambezi Grande is a luxurious family-owned game lodge, situated on the banks of the Zambezi River. Reflecting the heart and soul of the magical river, the lodge offers an authentic yet unique safari experience. In a setting that showcases understated luxury and beautifully designed spaces, our hospitable staff are ready to make your getaway the trip of a lifetime. Just minutes from the Lower Zambezi National Park, Zambezi Grande is the ideal destination for those seeking a 5-star escape complete with plentiful wildlife, excellent fishing, and endless beauty.

With the Lower Zambezi National Park being a relatively unknown and hidden gem, our guests leave with a newfound sense of wonder for the incredible creatures found here. These include lion, wild dog, elephant, leopard, hippo, buffalo, zebra and kudu to name but a few. Bird viewing is a major drawcard with many "lifers" being on our birding list.

Our commitment to conservation and community sees us playing an important role in the area. With our lodge employing and empowering a majority of local people, we have been able to bring a sustainable source of revenue to many households. Through our outreach programs we assist in educating and inspiring the youth of the area and through our conservation initiatives we help to safeguard the wilderness heritage of the lower Zambezi for generations to come.
