### Life-Enriching Experiences

Ursula's Homestead invites you to explore or just relax in one of the continent's most loved destinations. There are a multitude of adventures in Victoria Falls. Through our people and places, we create experiences for guests to enrich their lives - whether they are looking for adventure, family time, romance, relaxation, or the chance to give back...

Our purpose is to help you open your eyes and heart and reconnect with how 'wonder-full' life is.

### Game Drives

Our early morning and late afternoon drives in Victoria Falls Private Game Reserve, are led by expert guides, and take guests into a wilderness where the abundance of wildlife is king. Traversing its basalt plains, open grasslands and teak forests to meet the shores of the Masuwe River, we can find the Big Five, with a healthy population of the extremely rare and endangered black rhino.

### Black Rhino Conservation Experience

To bring visitors closer to these extraordinary animals, we have designed the exclusive Black Rhino Conservation Experience. The late afternoon activity includes an immersive talk with an expert Victoria Falls Private Game Reserve Guide, followed by a drive into the reserve in search of the black rhino.

### Morning Walking Safari

Ours is the only walking safari of its kind in a private Big Five Reserve within the vicinity of Victoria Falls. It's a rare opportunity for a small group to be in Africa on foot.

### Private Guided Tour of the Falls

An exclusive tour with our expert guide that follows a tailor made and personalised journey through this Natural Wonder of the World and UNESCO World Heritage Site.

## Local Community Experiences

More Community Foundation's (MCF's) purpose is to empower people of local communities in which MORE Family Collection operates. It does this by providing access to: early childhood development, skills development, and clean water. Over the years, MCF has built close relationships within the communities, and guests are encouraged to visit through our Get Your Hands Dirty Community Experiences.

This gives guests the opportunity to experience a different – and humbling – way of living; visit culturally- and historically-significant sites; and connect with local people, while positively impacting their lives. These extraordinary social experiences bring guests into the heart of Southern Africa and make their visits here that much more meaningful.

Woodlands Village Tour - Guests are immersed in the heart of the Woodlands Community, a farming-dependent cluster of four villages on the outskirts of the Victoria Falls Private Game Reserve. The experience includes a visit to Masuwe Primary School, the area's only educational institution. This profound experience offers an inspiring glimpse into a resilient community determined to create a brighter future.

## Mack & Madi Kid's Adventure Explorers Programme\*

This offering is inspired by Rob and Britt More's first-hand experience of travelling with their twins, Mack and Madi. Along with the hotel's options and flexibility around accommodations and meals, we offer tailor-made activities for children (5 to 11 years) that provide a little extra freedom to explore and just be kids – and make family travel child's play. Our pledge is to show your children the wonders of our beautiful world and to introduce them to fascinating people – encouraging them to discover and learn through having FUN!

Activities keep young guests occupied with the wonders of the natural world and sports, while a little pampering and movie nights ensure they also get to rest during their stay. Just some of the fun includes:

- Tour of the Victoria Falls (3 years and older): feeling like the early explorers, children make their way through the forest and along the falls, while being told stories about this area and its epic history
- Visit to Zambezi Nature Sanctuary and Crocodile Ranch (all ages): children see and learn about the area's indigenous animals, including the infamous Nile crocodiles.
- Movie Night and Dinner (all ages): families spend a cosy evening back at the hotel, watching a much-loved film, while tucking into popcorn
