### Ursula's Homestead

Ursula's is a more intimate option than its sister property, Stanley & Livingstone Boutique Hotel, and can be booked as an exclusive retreat for families and friend groups. Its main guest area – comprising a dining room, lounge, outdoor relaxation space with a firepit, and pool – serves four separate Rooms, offering a little more privacy, set amongst manicured garden. Every comfort, attentive service and good food enhance the experience, ensuring guests are very well taken care of.

### Unique Selling Points

- Personal and private, with only four separate Rooms, encouraging guests to settle in and feel at home
- Primely located a 15-minute drive from the area's namesake Victoria Falls – a UNESCO World Heritage Site and one of the Seven Natural Wonders of the World
- Guests of all ages are welcome, and well-catered for with family-friendly accommodation, meal, and activity offerings
- Access to MORE Family Concierge taking care of all guest arrangements, from activities – on and off the property – and restaurant reservations, to travel transfers
- Shared airport transfers between the homestead and Victoria Falls International Airport, and Harry Mwanga Nkumbula International Airport (formerly Livingstone Airport)
- The homestead is both an ideal base from which to explore and a quiet retreat in one of the continent's most visited destinations

### A Closer Look at Ursula's Homestead

**Weather**

- Hot summers from September to April, and mild winters from May to August
- During summer, daytime high temperatures average 30°C/86°F, while night-time lows seldom drop below 14°C/57°F
- The summer rains wash through the area between November and March, and dramatic thunderstorms may light up the afternoons
- During winter, daytime high temperatures average 20°C/68°F, while night-time lows average a chilly 8°C/46°F
- Winter is the dry season, and days are usually clear and sunny

**Best Time to Travel**

- A year-round travel destination, with hot summers and mild winters
- February to May: last months of the rainy season, when the Victoria Falls have their highest flow and are at their most impressive
- June to August: warm days and cool evenings, with little to no rain, but plenty of water still flows over the falls
- October to November: dry months, when the falls are at their lowest - but without the dense spray from the falls, visitors are afforded a clear view
- Water flow over Zimbabwe's side of the falls is permanent, with the volume changing according to the seasons

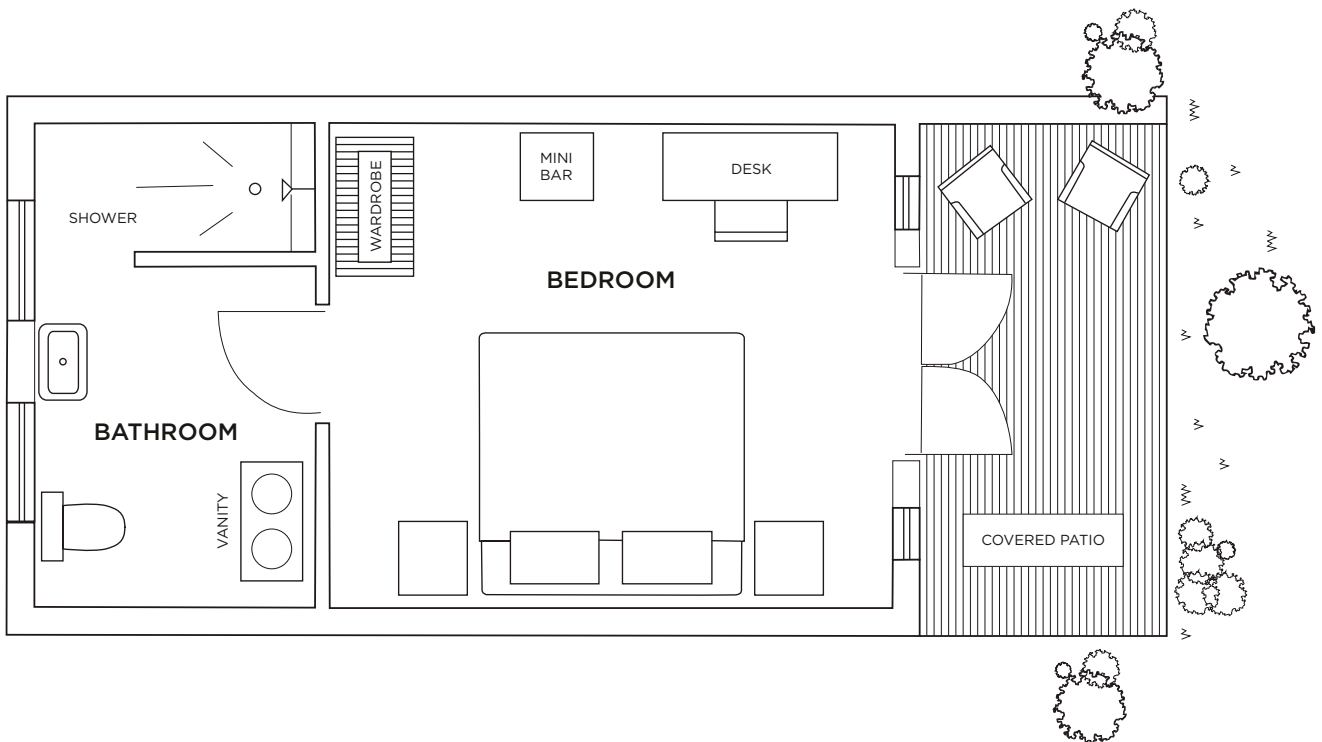

**Health Info**

**Malaria:** Ursula's Homestead is located in a malaria area, and we urge guests to consult their doctors about malarial prophylactics before visiting.

**Yellow fever:** There is no risk of yellow fever in Zimbabwe. Proof of vaccination on applying for a Zimbabwean visa is only required if guests are travelling from a yellow fever-affected country (e.g. Zambia).
