Food and wine.

When it comes to food and wine, Spier's philosophy is to keep it simple, seasonal, farm-made and never wasteful. The Tasting Room provides guests with opportunities to savour award-winning wines, sample unique food and wine pairing menus, and gaze upon contemporary local art. Wherever guests choose to dine on the farm – at the hotel's three restaurants or two bars, Vadas Smokehouse & Bakery or under an oak tree with a picnic basket – they will taste the story of South Africa's rich culinary heritage.

Wellness Quarter.

Step into the Wellness Quarter to find calm, balance and rejuvenation. With views of the wild-landscaped garden, guests are reminded of the restorative powers of nature, with many treatments using remedies from the Cape Floral Kingdom.

8 treatment rooms (single, double or triple) • Cape Herbal Bath House • Mani-pedi station
Infrared sauna • Steam room • Private pool • Movement studio • Gym

For the little ones.

Spier's Buzz Club provides little ones staying at the hotel with experiences inspired by nature. Kids aged 3-8 enjoy complimentary access to the Buzz Club's facilities and activities. An additional childminder for children younger than 3 and after-hours childminding are available on request.

Parents can let their children run wild at the Elemental Play Garden and outdoor playgrounds.
