PORTFOLIO

PACKING WITH PURPOSE

The Residence Portfolio looks forward to hosting you as our guest at Camp Ndlovu.

An exciting itinerary has been planned for you during your stay and we can not wait to share these incredible moments with you.

At The Residence Portfolio, we take great pride in being associated with initiatives that give back to the community. One such initiative close to our hearts is the Muneli Child Centre, a non-profit school that provides education and support to the children in the community of Sinde. The school caters to both pre-school and special needs children, but unfortunately, it faces challenges in providing adequate classrooms and educational tools for the best learning environment.

We kindly ask for your assistance in making a positive impact on the lives of these young learners during your stay. We have compiled a list of items that you may consider bringing along in your luggage, which will be collected by our staff and delivered to the Muneli Child Centre:

- Reading books (Ages 7 – 14)
- Colouring pencils, crayons and writing pencils (sharpeners / erasers)
- Educational aids such as alphabetical or number posters for the classroom walls
- Notepads, workbooks, blank paper

Any contribution, big or small, towards the Muneli Child Centre would be greatly appreciated. Your support will ensure that these items are put to good use, fostering the growth and development of each child, and enhancing their educational journey.

We sincerely believe that together, we can make a difference in the lives of these children and contribute positively to their futures.

Thank you for considering this request, and we eagerly look forward to welcoming you to Camp Ndlovu.

If you have any questions or require any assistance, please do not hesitate to reach out to us.

Warm regards,

The Residence Portfolio Team
