INSIDER TIPS

Winston Churchill called it "a most excellent establishment"; John Lennon meditated in its lush grounds, and modern-day celebrities from Leonardo di Caprio to Charlize Theron have breakfasted on its sunny balconies. This is Mount Nelson, a Belmond Hotel, an iconic resort that has been welcoming guests for over 120 years. Our location is outstanding, with dramatic Table Mountain just behind and the city's pulsating attractions just beyond the stone-columned gates, installed in 1925 to welcome the Prince of Wales.
