

NIMALI SERENGETI

FACT SHEET

QUINTESSENTIAL TANZANIA...

When the Maasai named this place, it was in honour of the vast landscapes that seemed to go on forever. They called it Seringit. Endless plains. Today, we know it as the Serengeti - where earth and sky collide in one of the most spectacular safari destinations in Africa. This is where you'll find Nimali Serengeti, at the centre of this legendary, 15,000km² national park, surrounded by one of the most prolific wildlife regions on the continent.

LOCATION & ACCESS

The 15,000 square kilometre Serengeti National Park sits in the north-central region of Tanzania and borders Kenya to the north.

The diversity and proliferation of wildlife in the Serengeti is unmatched anywhere else in Africa, which is why it's such an integral part of a Tanzanian safari. Vast and breathtakingly beautiful, the Serengeti guarantees an exceptional year-round Safari for the Senses.

Nimali Serengeti is located in the heart of the Serengeti National Park, close to Makoma Hill, offering complete seclusion and great access to the Great Wildebeest Migration and the "Big Five".

AT A GLANCE

12 effortlessly elegant tented suites

Bathtub & outdoor shower

Located in the heart of the Serengeti

Abundance of wildlife all year long

THE LODGE

Nimali Serengeti is inspired by the environment around it and its décor reflects an effortless safari style. The interiors are modern and contemporary in style with elements of antique brass to create different textures and depth. The main areas overlook the breathtaking scenery of the vast Serengeti plains, and are complemented by a cozy fireplace and sparkling infinity swimming pool.

Nimali Serengeti's 12 light-filled tented suites seem to float between the endless plains and the African sky and are filled with luxurious, organic furnishings designed to encourage relaxation and engagement with Mother Nature.

Each tented suite has been cleverly styled to ensure guests enjoy a stunning private panoramic view and immerse themselves in the spirit of the African wilderness. Each has a kingsize or twin bed configuration, lots of space for unwinding and taking in the amazing landscapes, a private verandah and an ensuite bathroom complete with bathtub and outdoor shower.
