- International flights are only one step away
- Accommodation with modern facilities, amenities and excellent service
- Incentive packages and sustainable initiatives
- Venues that cover all needs and sizes with adventure abounds

WHY MICE IN CENTRAL LAOS?

Within the capital province, culture & fun

History, culture and nature merge in central Laos. The Vientiane province presents ancient temples, nature trails, amazing boat ride options and traditional ethnic villages in an amazing karstic setting.

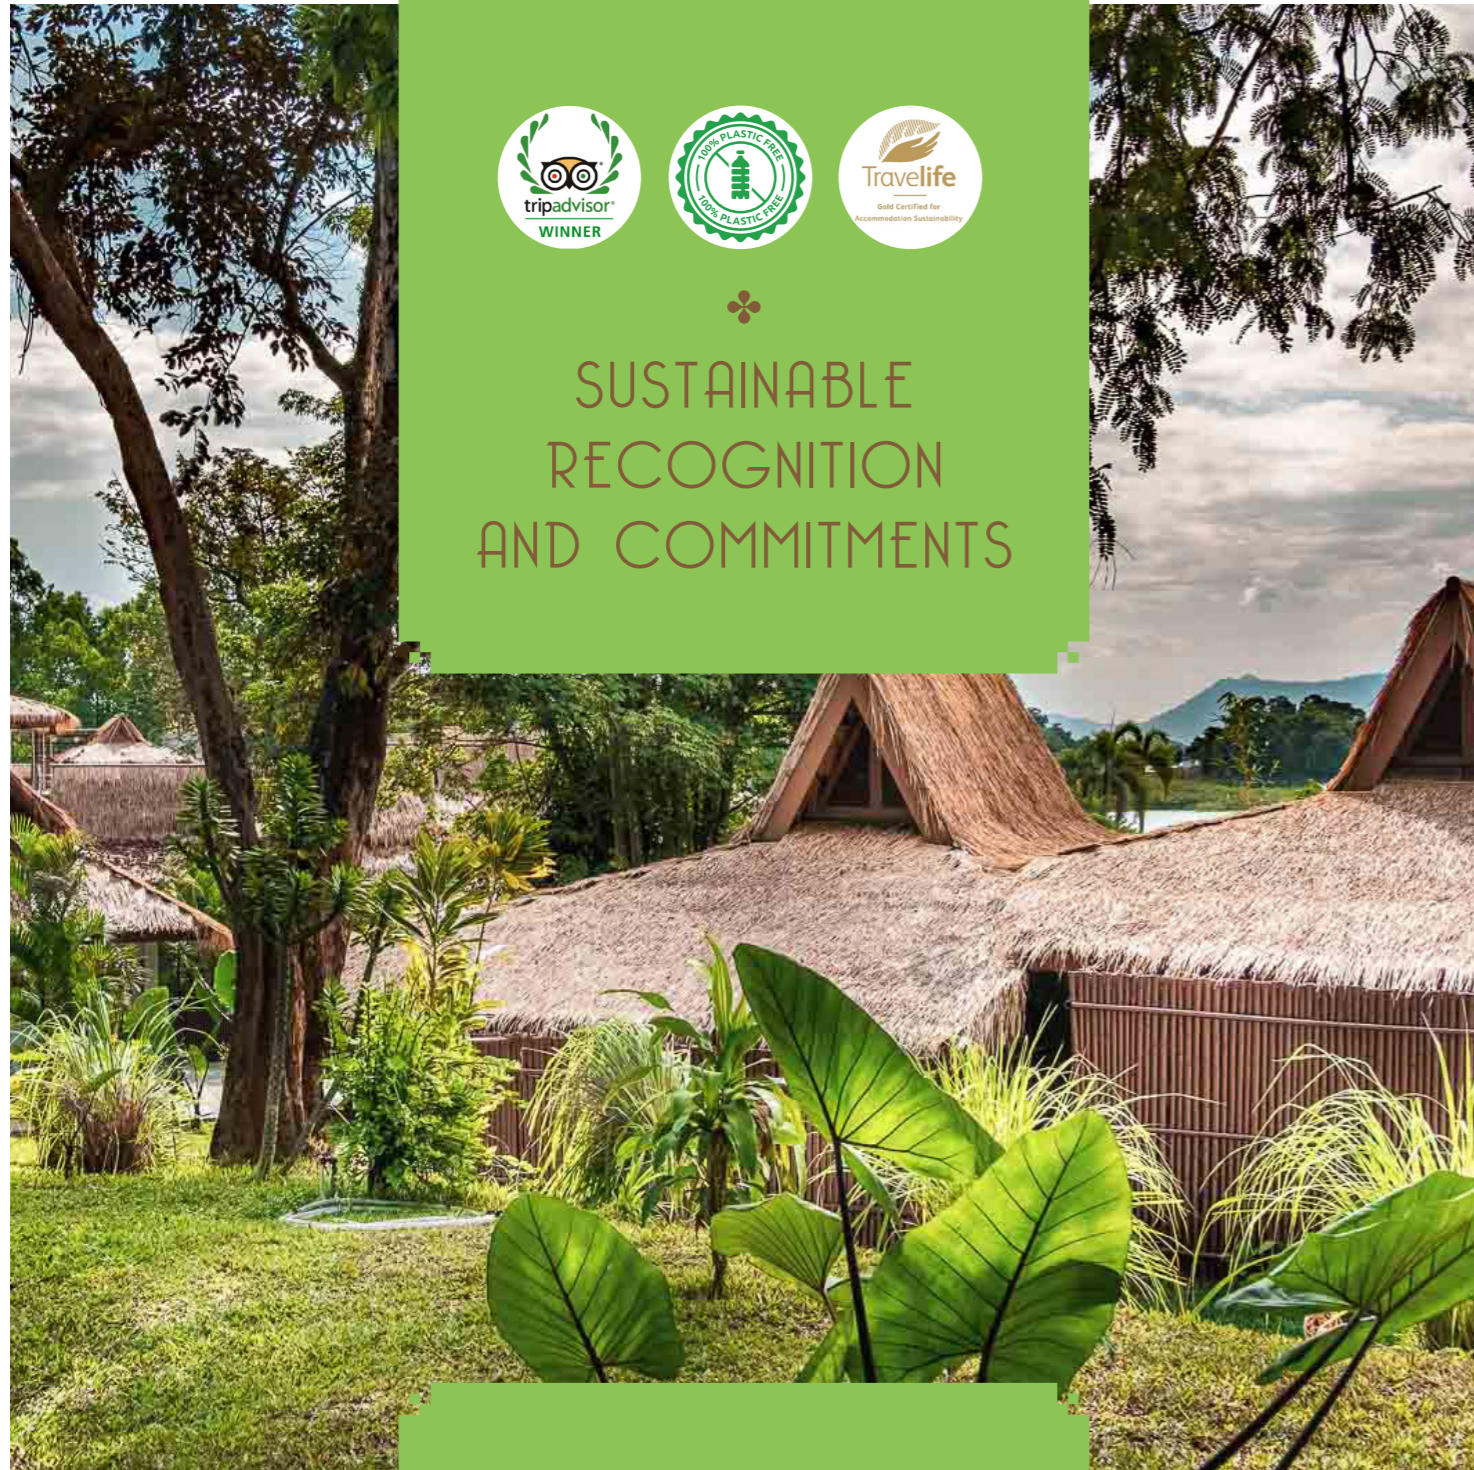

ABOUT US

The **Sanctuary Nam Ngum Beach Resort** is a modern architectural styled resort for travellers who want to discover Vientiane province. Located 120km from Vientiane capital and edging the banks of the Nam Ngum Lake, the resort's prime location and fascinating landmarks encourages guests to explore the picturesque village of Ban Tha Heua famous for its fishing culture, its home on stilts and its various markets. The Nam Ngum reservoir is dotted with small islands that offer breathtaking views and offers unique peaceful boat rides or more adventurous water sports.

Accommodation showcases a blend of local and international influences complemented by a host of modern comforts to provide a lavish home-away-from-home. The 30 spacious and ergonomic bungalows of 5 different categories offer breathtaking views on the spectacular panorama directly from each private terrace. With conference and leisure facilities alongside sophisticated dining journeys it becomes easy to blend business and pleasure. Host a company retreat that inspires with unique activities. Let us tailor a sightseeing tour of all the region's highlights. Make a great impression with an impeccable banquet, or a private occasion for an intimate few.

SUSTAINABLE
RECOGNITION
AND COMMITMENTS

OUR BEST PRACTICES TO REDUCE

MEETINGS AND SEMINARS

Discover the art of perfect meetings and corporate functions at Sanctuary Nam Ngum Beach Resort. Our conference room is the perfect venue for executive meetings and business retreats. For all functions, our range of facilities can be adapted to meet all your requirements and make your private or business event a success.

With its large sliding doors, the 37m2 meeting space is filled with natural light and overlooks the lake. It provides all the standard technology equipment and high-speed Wi-Fi. Tailor-made meeting packages are suggested to pair an innovative executive gathering or even brainstorming sessions.

Our dedicated sales and operation team will assist you throughout your project in creating a corporate event tailored to your needs in a way that focuses on attention to each detail and the overall experience.

"From VIP welcome gifts, themed décor and entertainment, to innovative catering options and quality service to enrich the experience, simply let us take care of everything"
