Intimate yet spacious

Two cabanas are set under local thatch, amongst a lush island forest. Each is decorated with distinct African items, with a subtle nod to the archipelago's Portuguese historic influence. The ensuite bathroom features an outdoor shower, perfect for balmy Benguerra days. The cabanas offer private timber decks and cool rim flow pools. There is also a private sala with a hanging daybed, as well as your own sun loungers situated on the beach.
