THE CELLARS-HOHENORT, CAPE TOWN

THE MARINE, HERMANUS

THE PLETTENBERG, PLETTENBERG BAY

A WORLD AWAY FROM THE ORDINARY

A warm welcome to The Liz McGrath Collection, comprising The Cellars-Hohenort in Cape Town, The Marine in Hermanus, and The Plettenberg in Plettenberg Bay – three iconic hotels that exemplify South African hospitality. Unique in location, the three 5-star hotels share a philosophy of creating ‘a world away from the ordinary’.

WESTERN CAPE - THE DESTINATION

The Western Cape is a wonderfully diverse destination. Cape Town and its peninsula are a must to explore, for various reasons – from the Mother City’s appeal as a foodie capital, to “New 7 Wonders of Nature” landmark Table Mountain and World Heritage Sites, Robben Island and the Cape Floral Kingdom. Heading out of Cape Town, experience the beauty of the Whale Coast and the well-traversed Garden Route.

The Cape simply has it all, from natural phenomena – think mountains, beaches, botanical gardens and breathtaking fauna and marine highlights; to a thriving food scene and world-class wine routes, as well as a wonderfully diverse art and culture landscape.

THE LEGACY

Thanks to a love for restoring old buildings, Liz McGrath, also known as the “amazing Mrs. M”, created three magnificent properties. She first opened The Plettenberg in 1988. A few years later she purchased two historical Constantia houses, turning them into The Cellars-Hohenort. And it was during a visit to Hermanus that she spotted her third project, The Marine hotel.

Décor, food and gardening were her passions. A recipient of the “Woman of the Year Award” and the Relais & Châteaux Garden Trophy, Liz was an iconic hotelier and admired worldwide. She sadly passed away in 2015 but her memory lives on across The Liz McGrath Collection.
