TAKE A SAFARI WITH THE EXPERTS

Experienced guides with a passion for nature

Masuwe Lodge is situated on 1000 hectares (almost 2500 acres) of natural bushland which is home to wildlife including bush buck, kudu, sable, leopard, warthogs, impala and much more. The area is frequented by almost 500 bird species and one of our building supervisors reports 83 species on his Masuwe-garden-check-list.

Our expert wildlife guides host early morning and evening walks on Masuwe, these are a great way to discover some of the smaller details of the African bush and really feel immersed in our extraordinary natural landscape.

Our neighbour is the Chamabonda National Park, a sub-section of the Zambezi National Park which begins at the Victoria Falls and stretches some 40 kms up-river. Masuwe guides know the Park intimately and on morning and evening game drives they may help you spot elephant, buffalo, giraffe, zebra, a variety of antelope species, hyena, lion, leopard and much more.

QUIET AND PEACEFUL

Wilderness Tent

Our nine Wilderness Tents combine thatch and canvas with an attached local stone bathroom (shower, vanity and toilet) and a front deck with comfortable seating and views of the natural bushland where wildlife roams. Supremely comfortable king (or twin) beds are made up with top quality cotton bed linen and canopied with mosquito netting. From your bed you can look over your toes, through the glass sliding doors, and watch the sunrise tint the sky pink.

TAKE A MOMENT TO ENJOY A LITTLE

Hide-Away

Just the one Hide-Away is tucked into a private spot overlooking a small water hole and beautiful natural bushland. With double the floor space and a lovely big deck area, the Hide-Away is perfect for romantics and honeymooners. The Hide-Away has an indoor double shower, with a view, an outdoor bathtub for two and a minibar stocked with your personal choice of local brand drinks. Named after the camouflaged shelter used to observe wildlife – “a hide” – our Hide-Away is perfect for any two-people wanting to hide from the world.

BRINGING YOUR FAMILY TOGETHER

Our Family Nest caters for your every need

Privately situated with bush all around, the Family Nest is named after the weaver bird nests found around Masuwe. Our Nest is built of stone and thatch, reminiscent of the old farm homesteads of Zimbabwe. The upstairs master bedroom has a private relaxation area, king sized bed with lovely treetop views and an en suite bathroom. Downstairs there is a second smaller bedroom with own bathroom as well as an indoor living area and a kitchenette with mini-bar stocked to your tastes (local brand drinks included). Outdoors, and surrounded by natural bush, there is shaded deck, a sunny plunge pool and a family sized braai (BBQ) area.

A HOLIDAY FOR YOUR BUDGET

Spend your time counting spots, not pennies

Nobody wants to count pennies when on holiday, so we have structured our rates to ensure the best quality without breaking the bank. We believe that in a competitive and exclusive market, this combines to make our safari experience more attainable.

A LITTLE PIECE OF AFRICA JUST FOR YOU

The heart of Masuwe

Our main lodge overlooks a waterhole and the (often dry) Masuwe River. Perched high on a hill that exudes a positive energy (aaaahh the magic of Africa!) the dining, bar, lounge, pool and relaxation areas are well shaded and open to the breezes, birdlife and wildlife that calls Masuwe home. The old stone 'bones' of the original Masuwe Lodge have been restored and the thatched roof has been replaced, the kitchen and bar have been rebuilt and a welcoming staff, including many of the original team, are gathering to host you.

EXPAND YOUR HORIZON

Journey to the Zambezi River

New exciting experiences including the option to pre-book additional nights at Chundu Island. Located 21km upstream from Victoria Falls, Chundu Island is without a doubt one of the most picturesque river islands on the Zambezi River and sets the tone for a tranquil and relaxed island safari in the heart of the Zambezi National Park.

KRUGER NATIONAL PARK, SOUTH AFRICA
