Plains Camp @ Rhino Walking Safaris

Journey with us to Plains Camp

MAKE IT MORE THAN JUST A SAFARI

Take a walk on the wild side

Plains Camp @ Rhino Walking Safaris is an intimate trails camp in the heart of South Africa's legendary Kruger National Park. We are privileged to exclusively explore a 12 000 hectare private concession on foot in 'Big 5 territory' that was not previously open to the public. Experience Africa's wildlife – its sights, sounds, scents and textures on foot or spend a night under the stars at our Sleep-Out decks and immerse yourself in nature.

EXPLORE THE KRUGER WITH THE EXPERTS

Experienced guides with a passion for nature

When contemplating heading out into the bush on foot, in an area rich in game, including the somewhat infamous big 5, you want to know that you are in safe hands. Guides at Rhino Walking Safaris hold the highest possible academic and practical qualification for guiding on foot and are backed up by assistant Trails Rangers with a lifetime of experience. We usually employ our assistant Trails Rangers from retiring SANParks Field Rangers, most of whom have spent almost all of their working lives patrolling the Kruger Park keeping a sharp eye out for signs of poaching, disease or unusual activity.

Explorers Retreat

Take in the surroundings

Warm your soul

The image shows the interior of a safari tent. A large bed with white linens and patterned pillows is the central focus. Two bedside tables with lamps are on either side of the bed. The tent's structure is visible, with wooden poles and a canvas interior. Large windows on the right side offer a view of the African bush landscape. The lighting is warm and ambient, creating a cozy atmosphere.

ALL THE COMFORTS YOU NEED

Live like an African Explorer

Most wilderness trails either involve carrying and pitching tents or staying in a reasonably basic base camp – with shared ablution facilities, simple meals and no bar facility (though you may bring your own drinks). At Plains Camp, we have established a well-appointed camp with large en-suite tents, comfortable extra-length beds and quality linens. An honesty bar (with soft drinks, beers, ciders and house wines included in the rate), and a plunge pool in which to cool off on a hot day just adds to the ease of camp living. The chef prepares a hearty brunch, tasty high tea and three-course dinner from fresh ingredients. Served at a table set with white linen, candles and silverware, this is the best way to end an exciting day in the bush.

A HOLIDAY FOR YOUR BUDGET

Spend your time counting spots, not pennies

You don't want to count pennies - you're on holiday, so our rates are structured to ensure the best quality without breaking the bank. Your specially discounted SANParks Conservation Fee rate is charged per stay instead of per day, you also have the choice of a drinks inclusive package at a very reasonable rate. We believe that in a competitive and exclusive market, this combines to make your safari experience more attainable.

A LITTLE PIECE OF AFRICA JUST FOR YOU

Kruger the way it was meant to be

With 12 000 hectares of unspoiled wilderness to explore (not previously accessible to the public – and currently only accessible to guests of Rhino Walking Safaris), there is very little to disturb you while on a walk. The guides may choose to walk from the camp, or to drive out and walk from the vehicle – all without seeing any of the public visitors to the park.

MAKE IT MORE THAN JUST A SAFARI

Live life on the wild side

For a completely different and unrivalled wilderness experience, guests can walk from Plains Camp to our Sleep-Out decks with their guides. These are 4m high elevated wooden platforms with shade cloth tents on the top level where guests can sleep out under the stars. Imagine a giant treehouse with flush toilets and running water! This is the only place in Kruger National Park offering this unusual accommodation, and it must be pre-booked.

ADVENTURE IS ALL AROUND

Rhino Post Safari Lodge

New exciting experiences including the option to pre-book additional nights at Rhino Post Safari Lodge. Within 10kms of Plains Camp lies Rhino Post Safari Lodge, the ideal place to start or end your walking safari – with in-room massages, a deep freestanding bathtub and an outdoor shower to ease you back into (or out of!) civilisation. Game drives in this game-rich area are usually very fruitful.

EXPAND YOUR HORIZON

Journey to Victoria Falls

Chundu Island, located 21km upstream from Victoria Falls is without a doubt one of the most picturesque river islands on the Zambezi River and sets the tone for a tranquil and relaxed island safari in the heart of the Zambezi National Park.

ADVENTURE IN VICTORIA FALLS, ZIMBABWE

Masuwe Lodge

Located just 7km from Victoria Falls, Masuwe Lodge is the perfect foil for a bush breakaway. Surrounded by natural bushland and wildlife, Masuwe offers safari accommodation and experiences just a few minutes' drive from all the adventures of Victoria Falls, Zimbabwe.

PRIVATE CONCESSION

Kruger National Park

Rhino Walking Safaris Private Concession is a primitive wilderness area situated in the Kruger National Park. It allows for very well-managed and supervised recreational use as well as stringent conservation ethics. Wilderness concession areas are very few, and far between, the most crucial benefit is that they are not developed with road networks and do not allow off-road driving – making them wholly wild and unspoilt. *The added advantage to our guests is that we are permitted to drive on the Kruger roads after dark and enjoy night-time safari game drives.*
