

Facts & Information

Tintswalo Family Camp is located in the Welgevonden Game Reserve in Limpopo. The Welgevonden Game Reserve comprises of 40 000 hectares of pristine bushveld and ranks amongst South Africa's largest private game reserves, forming part of the only savanna biosphere reserve in the world, proclaimed by UNESCO in March 2001. The rich and diverse Waterberg region offers an extraordinary variety of unspoilt habitats. Overall, more than 50 mammals, 300 birds and 2,000 plant species can be found within the reserve. The Big 5 is in abundance, as well as cheetah, brown hyena, honey badger and many other interesting animal and bird species. The malaria-free Welgevonden Game Reserve is a pioneer in conservation initiatives; this ethos forming an integral part of the rich, multi-generational family experience that is on offer at Tintswalo's Family Camp.

Tintswalo Family Camp is strategically positioned to offer a unique safari experience, with the option of a Kosher kitchen, all within 3 hours' drive from Johannesburg. Welcoming children of all ages, the camp is protected by electric fencing against predators and other dangerous game to allow young guests the freedom to enjoy the outside areas. It offers a choice of 1, 2 and 3-bedroom suites and is also available on an exclusive-use basis, which is suited to bigger family groups or executive breakaways where one party takes over the full camp.

WILDLIFE & GAME RESERVE INFO

The Dutch word “Welgevonden” can be translated to “well found” or a “serendipitous discovery” which means to occur by chance in a happy or beneficial way. The majestic piece of land transforms at any opportunity, offering breath-taking views of untouched African wilderness and memories that will last a lifetime. The reserve is one of the finest to watch wildlife in, feel the wilderness and experience the true spirit of Africa.

Welgevonden Game Reserve offers an exclusive, intimate bushveld experience, with only a limited number of guests having access to Welgevonden at any one time. The mountainous bushveld is worth a visit all year round, thanks to its high altitude, temperate climate. It is important to note that this reserve is not open to day visitors.
