****Please remember to call and confirm your estimated time of arrival if you are running behind or ahead of schedule.****

- ❖ Drive out of Pumulani towards the Cape Maclear dirt road. Once at the crossroads (Cape Maclear left / Monkey Bay straight) where there is a sign on your left for Pumulani - turn right.
- ❖ Continue with this dirt road till you reach the tarmac road. Once you reach the tarmac road turn right and drive towards Mangochi town.
- ❖ Continue straight at the large traffic circle in Mangochi. Soon afterwards there should be a Puma filling station on your left. From the circle, continue approximately 48km to the town of Ulongwe.
- ❖ Continue straight through Ulongwe. Approximately 10 minutes after Ulongwe turn left onto the dirt road. This turn is signposted.
- ❖ From here it's roughly 17km to the gate of the National Park but allow yourself 45minutes to complete this. The road is bumpy and busy with pedestrians and bicycles. All the major turns are signposted by either Kuthengo / Mvuu signposts. (These signposts often go missing. If in doubt, ask any local for directions to Makanga Gate.)
- ❖ Once you reach Makanga Gate all formalities can be completed.
- ❖ Drive another 5minutes toward the river / boat point. This area is frequented by elephants (and the carpark by baboons) so please be careful. Once at the carpark for the boat point, a guide for Kuthengo will meet you and bring you into camp by boat.

Welcome to Kuthengo Camp!
