#### **THERE ARE TWO ROUTES TO GET TO PUMULANI**

1. Via Salima – the quicker route.
  2. Via Dedza – the scenic route.
- ❖ Take the 'Blantyre road' out of town (M1 South) for approximately 100km.
  - ❖ You will reach a permanent police roadblock after the Dedza town turnoff. Continue straight.
  - ❖ After the Bembeke Market you will see a sign for Golomoti. Turn left here onto the S217 pass which will take you down a steep winding 29km road through the mountains. **Golomoti is a difficult road in the rainy season. We do not recommend doing it after or during rain)**
  - ❖ At bottom of the hill you reach T-junction. Turn right onto M5 towards Blantyre/Balaka.
  - ❖ After 1.3km turn left onto S127 towards Monkey Bay. Look out for the railway tracks crossing the road. This railway is not functional but worth slowing to avoid damage to your car.
  - ❖ Drive approximately 60kms until you reach a T-junction. Turn left towards Monkey Bay (S128).
  - ❖ After 5km turn left at the Energem filling station towards Cape Maclear. This is a dirt road.
  - ❖ After 4km you will reach a crossroad with a Pumulani sign on the left. Turn left.
  - ❖ You will reach a fork in the road and a Pumulani sign. Keep right.
  - ❖ Keep going until you see another fork in the road. Keep right again.
  - ❖ Continue until you reach next Pumulani sign. The lodge is a further 800m up the hill.
