Child Policy for Activities:

Due to the length and content of the tours, we do not normally allow children under the age of 16 years to go on these. It will be at the guide's discretion whether we can accommodate children younger than this. We do, however, highly recommend the Guided Artillery Trail as an alternative.

Game Reserve Bush walks have a strict no children under 12 years policy.

We do offer child-minding facilities whilst parents are out on tour and in the evening while parents are at dinner, but this should please be booked in advance.
