The Resort

Situated on Zanzibar's picturesque North East coast overlooking the turquoise Indian Ocean, it is as the name suggests, a little piece of paradise.

From your arrival at Zanzibar Airport, the resort is a meandering 45 minute journey through un-spoilt scenery, passing typical African villages where the way of life has changed little for hundreds of years.

At Ocean Paradise Resort & Spa, you will be greeted by a blaze of colour as you sweep down the imposing driveway, saluted by a Masai warrior as you pass through the entrance gate and be captivated as you arrive in reception and look out over the resort and the azure blue sea. Mature coconut palms swinging in the breeze, white sandy beach, beautiful landscaped gardens, traditional style round chalets with pitched makuti roof, a stunning waterfall feature and one of the largest swimming pools in Zanzibar are just some of the sights that await you. A big smile and the greeting of "Jambo" will be the first words you hear, as you begin to feel the warmth that the people of Zanzibar are famed for.

Rooms & Suites

Designed as a traditional African roundhouse but featuring all the creature comforts you could need, our rooms and suites are truly unrivalled. Set in 6.5 hectares of serene and colourful gardens, leading to a white sandy beach and the turquoise waters of the Indian Ocean, each room is indeed an idyllic setting.

Nestled under a pitched makuti roof, each room is sea facing with large patio doors that open up to a private balcony, where you can sit and take in the sedate pace of African life.

A peaceful sleep is guaranteed in a fully air-conditioned room with comfortable twin or king size beds draped with mosquito netting. The addition of satellite television, direct dial telephone, mini-bar, hair dryer and a unique curved en-suite bathroom, with shower, toilet and bidet, complete the facilities that will make your stay relaxed and enjoyable.
