• CHARITY ORGANISATIONS & PROJECTS •

Victoria falls has a wide range of very passionate people who specialise in different impact areas. As an accommodation provider The Bayete Collection decided not to try branch out and create a new Impact area, but rather support the existing ones already doing fabulous work and need support to continue doing it.

Victoria Falls Anti-Poaching Unit

About:

The Victoria Falls Anti-Poaching Unit (VFAPU) is a non-profit organization dedicated to the conservation of our local wildlife and natural resources.

Our Support:

We regularly make donations toward money-raising efforts and charity functions.

Our directors volunteer air support by plane during antipoaching patrols.

MUMMY'S ANGELS
- Zimbabwe -

Mummy's Angels Zimbabwe

About:

Mummy's Angels is a registered trust based in Victoria Falls, created to provide assistance for expectant and new mothers who have nothing to welcome their babies into the world with.

Our Support:

We regularly donate toward money-raising efforts and charity functions. Clothing and monetary donations from guests go toward supporting the efforts of the team.

Pristine Victoria Falls Society

About:

A community-based movement set up in October 2021 to make Victoria Falls the cleanest and greenest city in Africa.

Our Support:

Our team volunteers in regular clean-up efforts and community projects.
