

"Simplicity is the ultimate sophistication." {Leonardo da vinci}

SONOP

Sonop is a luxurious tented camp nestled at the Southern extremity of the Namib desert, in the Karas region (Namibia).

Constructed on top of boulders, the ten spacious tents aim to offer a unique journey through time, with a refined British colonial atmosphere from the 1920's. Richly furnished with antiques made of fine materials, colourful carpets and precious wood, they are an invitation to live the life of vestervear's wealthy explorers.

Every evening, hosts can enjoy an opulent gastronomic experience, where delicate silverware and black-tie set the mood. With its warm atmosphere, the cocktail & cigar lounge evokes with subtlety the splendor of colonial interiors. For guest's ultimate comfort, Sonop also offers a spa, a fitness center and heated outdoor infinity pool and private stables, all facing the desert's vastness.

The sophistication at Sonop is also in the views, all awe-inspiring. A large list of adventures allows guests to admire the desert's genuine beauty.
