#### **— ROUTE FROM WINDHOEK TO SONOP**

In short: Windhoek – Rehoboth - Kalkrand – Maltahöhe – Betta Campsite - Sonop

- From Windhoek, leave the city and take B1 to the south.
- Drive for 185 km to Kalkand, passing Rehoboth.
- At Kalkrand, turn right onto C21. Drive for 106 km.
- At the intersection, turn right onto C19 in direction of Maltahohe. Drive for 13,6 km.
- Pass Maltahöhe, and at the big crossing, turn left onto C14 towards Helmeringhausen. Drive for 35,9 km.
- After “Lisbon Road House”, turn right onto D824 (Hardap Region). Drive for 11 km.
- At the first intersection, turn left and continue onto D831, and drive for 15,5 km.
- At the crossing, slight right onto D826. Drive 37,1 km (pass Duwisib Castle on your right).
- After passing Betta Campsite, continue straight/turn left (not right) onto C27. Drive 23,5 km.
- Turn right into D707 towards Spes Bona. Drive 6,9 km until you see a farm on your right. Don't follow the main signs and don't go straight. Make sure to turn on the right (there should be a little house on your right after turning with lots of cactuses in front).
- Drive straight for few kilometres and you'll see a brick wall, which marks the entrance of the reserve. Turn right. Continue until you see white building and a lag.
- You have reached Sonop!
