Fishing is good year round, but peaks in October and November during the breeding season.

July to October is peak season for our Sleepout Under the Stars.

Canoeing safaris are great all year. During the driest months of August to November, wildlife congregates along the river.

Lion and leopard sightings pick up as the bush dries out and the visibility improves.

The peak walking safari season is July to October.

Boat cruises are excellent all year on the Zambezi River - expect plenty of hippos, crocodiles, birds and elephants.

## GREAT ALL SEASON

- + Elephant encounters - experience the touching, intelligent side of these beautiful creatures
- + Birdwatching - over 370 species
- + Boating and canoeing safaris
- + Wildlife photography

As the summer rains recede, April is the best time to see wild dogs and a high bird diversity.
