## WHY VISIT?

# Cederberg

The Cederberg Mountains lie 2.5 hours north of Cape Town and the Winelands. Yet this is like no other area of the Western Cape. Here, there are no manicured gardens, glitzy shops or boldly-marketed attractions teeming with tourists. Rather, you experience a raw, rugged beauty and a sense of peace and tranquillity. The Cederberg feels like it is far away, but in fact it is surprisingly easy to get to (just 2.5 hours out of Cape Town). It is truly wilderness within reach.
