AN ENDURING COMMITMENT TO safeguarding Africa's wildlife & wilderness

Singita is a conservation and ecotourism brand that has been helping to preserve Africa's untouched natural spaces for almost three decades and we offer guests exceptional safari experiences at 16 award-winning lodges and camps across four countries.

In partnership with non-profit Funds & Trusts who implement strategic conservation projects in each of the regions in which we operate, our 100-year purpose is to preserve and protect large parts of African wilderness for future generations.

We are steadfast in our commitment to protect unique ecosystems, help recover critically endangered species and ensure no further extinction, benefit neighbouring communities under our care, and contribute positively to the reduction of GHG emissions through our climate commitments.

Travellers choose to stay at Singita because of the expansive space and beauty of our remote locations. They value the restorative serenity of these pristine wilderness areas, as well as the limited guest and vehicle numbers, extraordinarily consistent game viewing and exceptional & intuitive care that is taken of each guest during their stay. When they depart, they are transformed for life and deeply moved by their connection and contribution to the legacy of this continent.

“Singita’s ethos of ‘touching the Earth lightly’ is no longer just a forward-thinking principle; it is imperative to our survival, and that of the land, wildlife and communities under our care.”

GENERAL MANAGER CONSERVATION**

CONSERVATION as a way of life

Singita has been championing conservation in Africa from its inception.

The critical conservation work we carry out with our non-profit Funds & Trusts is aimed at restoring, enhancing and protecting the biodiversity of the ecosystems under our care. Our sustainable conservation model helps to balance tourism in all of the regions in which we operate.

SINGITA LOWVELD TRUST

In South Africa, the Singita Lowveld Trust manages a wide range of conservation projects in Singita Sabi Sand and Singita Kruger National Park – from anti-poaching initiatives to wildlife research & land management, sustainability efforts and community partnership projects such as early childhood development, digital learning and a world-class culinary school.

WELCOME TO Singita Boulders Lodge

Singita Boulders Lodge was inspired by the ancient boulders on which it rests and the remarkable wine cellar - featuring an award-winning collection - was built around some of the organic-shaped rocks found on the site during construction.

Expansive decks and walkways invite continuous engagements with the surrounding wilderness, while each of the 12 glass-fronted suites features spacious interiors, a fireplace, private deck, outdoor shower and heated pool. Handmade furnishings and luxurious, textured fabrics integrate seamlessly with the raw African beauty outside.

Set on the picturesque banks of the Sand River in Singita's private reserve in the world-renowned Sabi Sand, the lodge offers a front-row seat to 45,000 acres of untouched wilderness teeming with wildlife - including frequent leopard sightings.

The Boulders experience

Preparing for your journey

SUGGESTED PACKING GUIDE

Cotton clothing in neutral colours such as green, khaki and grey is recommended for game drives and walking safaris. If it rains during a game drive, waterproof ponchos will be provided. No formal wear is required at any of our lodges.

Use the weather as your guide:

- **October - April:**
Casual summer clothing (shorts and lightweight shirts) with a warm jersey or sweater for the cooler morning and evening temperatures.
- **May - September:**
Casual lightweight clothing with a very warm parka or windbreaker jacket for the very cold mornings and nights.

To ensure a comfortable safari experience, we recommend that you bring the following:

- Comfortable walking or track shoes, or hiking boots for walks as well as sandals to wear around the lodge.
- A swimming costume or bathing suit, sun block, sun hat, sunglasses, lip balm, mosquito repellent. (Lip balm and insect repellent will be provided, but if you prefer a particular brand, you are welcome to bring it along.)
- Video camera, camera, binoculars (these are also provided) and extra memory cards.

HEALTH REQUIREMENTS

Singita Boulders Lodge is situated in a malaria-risk area; it is therefore essential that you consult your medical practitioner regarding antimalaria requirements prior to your visit.

Our location

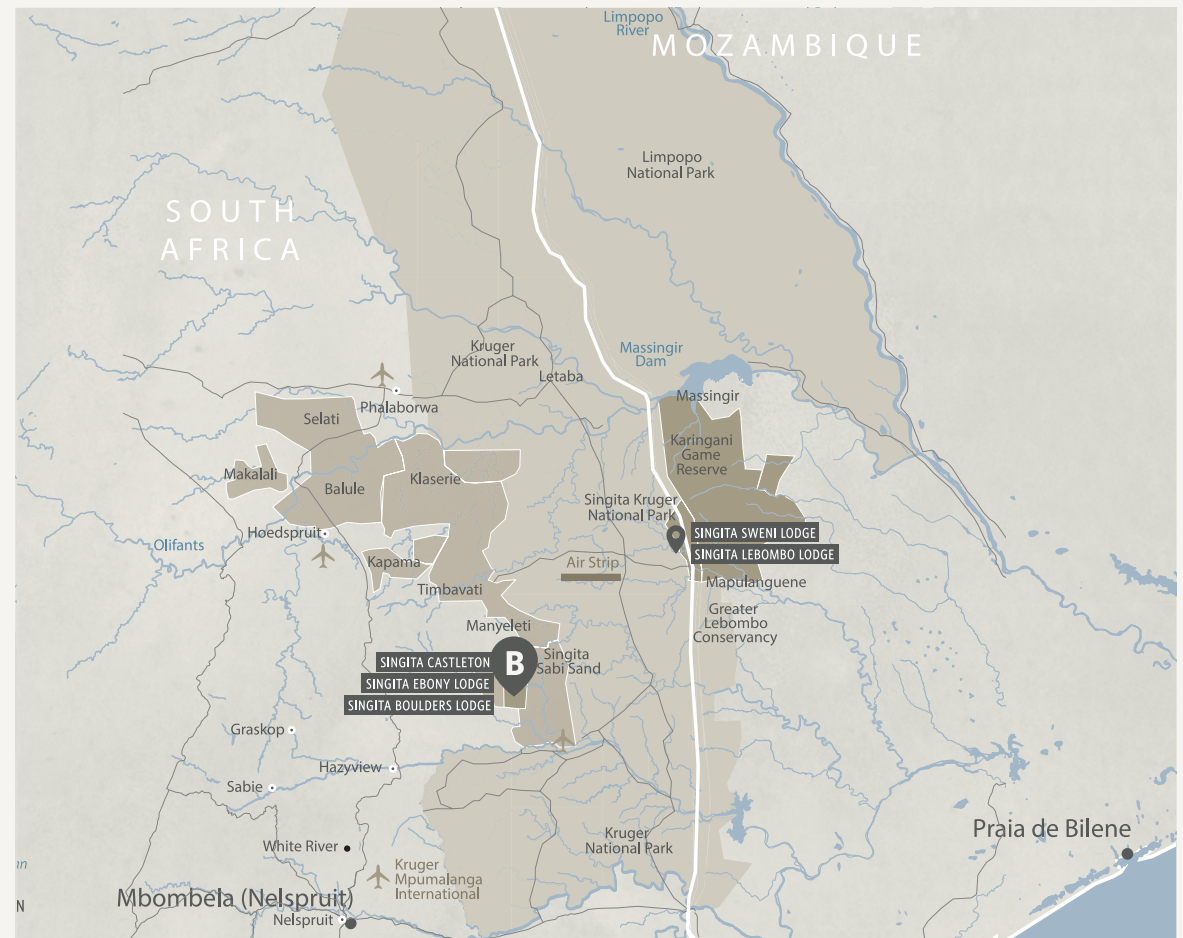

LOCATION OF SINGITA SABI SAND [A]

Singita Sabi Sand is a privately owned reserve in the Sabi Sand Nature Reserve, adjacent to the Kruger National Park in South Africa. Spanning more than 45,000 acres, Singita Sabi Sand is renowned for high concentrations of big game and frequent leopard sightings. This is where you will find Singita Boulders Lodge.

LOCATION OF SINGITA BOULDERS LODGE [B]

Singita Boulders Lodge is set along the banks of the Sand River in a privately owned, 45,000 acre game reserve in the Sabi Sand Reserve adjacent to the Kruger National Park.

The original inspiration for Singita Boulders Lodge came from the geometry of the ancient, weathered boulders and the natural curve of the river bed near the lodge.

Weather and temperature

BEST TIME TO GO ON SAFARI

Southern Africa is a year-round destination. Traditionally the dry winter months (April to October) are best for game viewing, due to the shorter grass, lack of foliage and the absence of water which forces the game to concentrate around the remaining sources of drinking water. Annual rainfall, usually in the form of short afternoon thunder showers that clear up within an hour, occur from December to March. Many species give birth to their young around the start of the rainy season which is when the the bush comes alive with newborn animals.

AVERAGE SEASONAL TEMPERATURE RANGES

SPRING

(Sept - Nov)

Low 20 °C / 68 °F

High 30 °C / 86 °F

SUMMER

(Dec - Feb)

Low 23 °C / 73 °F

High 38 °C / 100 °F

AUTUMN

(March - May)

Low 22 °C / 72 °F

High 31°C / 88 °F

WINTER

(June - Aug)

Low 18 °C / 64 °F

High 29 °C / 84 °F

The above temperatures are monthly averages. The actual daily temperatures may differ from these.
