

OLIVER'S CAMP

TARANGIRE

Set in the remote southern reaches of Tarangire National Park and within easy reach of the wildlife-rich Silale Swamps, Oliver's is an echo of the early days of east African safaris. In 2021 Oliver's and Little Oliver's merged to form a single camp consisting of two wings joined by a raised walkway. With five rooms on the one side and 10 rooms on the other, each wing has its own lounge and dining area, with access to the shared pool and deck located between the two wings. Enjoy game drives, walking safaris, and night drives to explore this wild area.
